Hello Wildcat Fans

The River Falls High School Athletic Booster Club is a nonprofit 501(c)(3) organization formed in 2016 with a

sole focus of supporting student athletes.

The club is a major partner contributing to the athletic programs at River Falls High School and works directly with high school administration and coaches on ensuring that the needs of athletes and teams are met.

Formed in 2016, with initial fundraising of $18,000 in late 2017, we have donated close to $16,000 in equipment for the 2018-19 school year alone! With two major fundraising initiatives:

1. **Membership drive** which runs late spring through mid-summer
2. **Booster Winter Gala** hosted the Saturday of Super Bowl weekend, we will continue to help fund coaches' requests, allowing River Falls High School athletes to train and compete to the best of their abilities.

Proceeds from all fundraising efforts go directly to supporting the needs of

all 22 high school teams!

As you attend the various athletic activities this year, please take note of the businesses, professional organizations, families and community members that support our athletic programs. The pictures and advertisements you will find within the official "sponsor & schedule" book represent the financial supporters of our student athletes and programs.

On behalf of all River Falls athletes, the River Falls High School Athletic Booster Club board and volunteers,

THANK YOU FOR SUPPORTING OUR CLUB AND PURPOSE.

Go CATS!
