This storage space is subject to all weather and acts of nature. Any damage to Boat from any perils – wind, rain, earth, etc. will be the sole responsibility of the boat owner and the boat owner will hold property owners harmless from any and all damages.

- Boat owner shall have an insurance policy on their boats. By signing this document, you attest to having an insurance policy.
- Boat owner shall provide completed certification form from a certified marine mechanic or marina that the boat being provided for storage has been properly prepared for winter storage.
- Boat owner or third party marina/mechanic shall deliver their boat completely sealed with shrink wrapping to protect the boat from water intrusion, any changes to the storage safety, and any environmental runoff considerations on a date at time discussed with the storage.

If Boat is retrieved after May 31<sup>st</sup>, an additional \$10.00 a day storage will be charged. There is no proration for boats brought in late or taken out early. I understand all of the information and agree to the above statements as the boat owner.

**Boat Owner Signature:** \_\_\_\_\_ **Date:** \_\_\_\_\_

# WINTER BOAT STORAGE CERTIFICATION

Morning Dove Storage
