Fully Guided Bicycle Tours

Our bikes are the perfect way to experience the Town of Celebration, famous for its nostalgic hometown flavor and elegance. Celebration, the town that Disney built, was specially designed to be bicycle friendly and has over 10 miles of trails.

Our Guides will help you discover picturesque neighborhoods with world-class architecture, native wildlife and a vibrant downtown area while pedaling through quiet neighborhoods, scenic winding trails, and waterfront pathways. The tour is a hill-free 7 mile ride that's available year round, perfect for all skill levels.

JOIN US FOR A CELEBRATION TOWN TOUR

A fun excursion and the perfect way to experience the Town of Celebration, famous for its nostalgic hometown flavor and elegance. Learn about Celebration's rich history and discover picturesque neighborhoods with world-class architecture, multimillion dollar mansions, parks, scenic winding trails, waterfront pathways, native wildlife and a vibrant downtown area. Celebration is a must see with over 4,000 artfully crafted homes and where over 10,000 residents live, work and play.

Originally developed by the Walt Disney Company, Celebration is an award winning master planned community near Walt Disney World. The design of this charming community includes a downtown main street area and a blend of townhouses, apartments and estate homes co-mingled within the same neighborhoods. Conceived as a pre-40's type of town, classical architecture prevails and everything within walking distance. Celebration Town Center, a lakeside shopping area, is home to many unique shops and over 12 exciting restaurants. A stroll down Market Street, the heart of Celebration's town center, offers a variety of shopping possibilities--everything from gifts and collectibles to adult and children's clothing...there's even a gourmet doggie bakery.
