A Resurrection Soul Stroll

Our monthly soul strolls have been such a gift to me. Not only have I gotten to know the church property and neighborhood better, I've gotten to know my traveling companions and their prayers for this place.

We started out in Advent, before the winter snow had settled in, pondering how we might welcome Christ's coming. We've continued the first Saturday of each month (with one Covid-forced pause), wandering and wondering together. Each journey, I discover something new about God among the people and in this place.

Speaking of journeys of discovery, I can't help but think about one of my favorite resurrection stories in Luke 24:13-35. It happened on the same day that Jesus had risen, and the disciples were still trying to make sense of what had happened. Two of them headed out to a village called Emmaus and a stranger started walking along with them. I've always experienced that something special happens when we walk along with others. Conversation just seems to flow freely. The disciples started sharing the story of Jesus with the stranger, and also how the women's tale of his resurrection had confounded them.

If you know the story, you know that the stranger was Jesus. But, the disciples didn't recognize him. Even after he explained everything in light of the scripture, they still didn't get it. Though, later on they reflected, "Were not our hearts burning within us while he was talking to us on the road, while he was opening the scriptures to us?"

When they arrived at their destination, they invited the stranger inside to share a meal with them. Then, they saw something they had seen before: *When he was at the table with them, he took bread, blessed and broke it, and gave it to them.*

Then - scripture says - their eyes were opened, and they recognized him in the breaking of the bread.

I look forward to the journeys to come, especially those blazing heart moments when this whole God thing isn't simply something we talk/think about, but something that burns from inside our bodies. I also look forward to more chances to break bread together, trusting that - as we do so - we'll discover Christ's presence in new and life-changing ways.

Resurrection Blessings,
Pastor Ben

PS - Our May Soul Stroll will take place on the second Saturday, May 14 (instead of our typical first Saturday) because I will be away on retreat with leaders of Northbrook. Please keep our leaders in prayer so that it may be a time of renewal and discernment for the next season in our life together. And, I hope you can join us on the next Soul Stroll journey at 9am on May 14!

Support for Ukraine

On Sunday, April 4th, we had a special blessing for the yellow and blue ribbons to start a “prayer tree” for Ukraine. Many of us tied the ribbons to a tree in front of the church in remembrance of our collective prayers for the people of Ukraine and for peace in the region. Others took a ribbon home as a daily reminder to pray for Ukraine, and we invited our neighbors and members of the community to join us. We also provided information on how people can contribute financially through Presbyterian Disaster Assistance, who through partners in Ukraine and surrounding countries, is providing food and shelter to refugees. The response was incredible and your generosity and prayers are greatly appreciated. If you’d still like to make a donation to aid in the efforts in Ukraine, you may write a check to Northbrook with “Ukraine” in the memo.

With deep gratitude for your generous hearts,
Mission Connection Committee

Pentecost Special Offering

Through our gifts, we help inspire young people to share their faith, ideas, and unique gifts with the church and the world, and in so doing, bring hope to others. Our gifts help connect young people with each other and with caring communities. Our PCUSA annual Pentecost Offering is one of our four special offerings of the year. This offering focuses on youth ministries; PCUSA Young Adult Volunteers, affectionately known as YAVs; and initiatives that support children, youth, and young adults who are at risk. Forty percent of our Northbrook collection remains with our church to use for and/or contribute to such purposes. There is a special envelope included in your envelope packet, but you may mail in your check in a regular envelope to the church or pay via Northbrook's website. Whichever way you contribute, please note with your payment that it is for the Pentecost Offering. Thank you for your support and generosity. **Contributions may be sent in through Monday, June 6.**

You can find and print a special Pentecost coloring page here: <https://specialofferings.pcusa.org/resource/pentecost-mandela-coloring-page/>.
