# Welcome To **DEEKSHA SCHOOL**

At Deeksha School, we believe every child is unique and capable of achieving excellence through curiosity, creativity, and values. Our learner-centric environment nurtures academic strength, strong character, and essential life skills that prepare students for a rapidly changing world.

## **VISION**

To be a school that inspires excellence in learning, leadership, and character –empowering students to become responsible global citizens and innovative problem-solvers.

## **MISSION**

To provide a joyful, safe, and engaging learning ecosystem that blends strong academics with real-world skills, values-based education, and modern learning methodologies—enabling every child to discover their potential and succeed confidently.

- **dCARE Parenting**

Every student to be assigned with a dedicated dCARE Parent (dP), who monitors their goals, aspirations and progress. This personalized approach ensures comprehensive wellness and individualized attention for every Student.

- **dLife (Deeksha for Life) Program**

Our trained dLife Facilitators engage with students periodically focusing on essential life skills and providing academic and career guidance. This initiative is designed to build confidence and equip children for future challenges.

- **dSTA (Deeksha Something to Think About) Videos**

We feature motivational and inspiring 2-minute videos aimed at fostering emotional intelligence and instilling a sense of responsibility in our students.
