

Be Empowered Farm Futures

Christmas spirit

December has been a great month of coming together for Be Empowered Farm Futures (BEFF). Helping decorate and contributing to Made Forever's Christmas party was a real team building exercise for everyone involved. The party was well attended and had a great atmosphere. A fabulous way to get into the Christmas spirit.

December is a very important month for us in terms of planning for the year ahead. Our team have been working together to pull lots of ideas together to form a plan for the coming year. It's going to be a busy one! The most important task is to schedule what's going to be planted, when and where. Just as important is deciding what activities we will be offering to our co-workers. We will take feedback throughout the year and our plans will develop accordingly.
