

From the team at Empowering Futures

We hope your Christmas is full of happy memories and laughter

Well here we are again, the winter solstice has been and we approach Christmas 2021. It is hard to believe that we slowly but surely move towards the longer days.

The animals all have their winter homes with extra bedding, shelter from the elements and the Guinea pigs even have mini warmers to keep their bed area snuggly. They have all the nutrition they need to keep them strong and healthy during the winter months.

With all the seasons this year seeming to be later, we had colour and blooms until very late in the year. It all looks very different now and after planting some hedgerow, much of the planting and growing is on hold until Spring next year

As many of you will know, we have had a planning application in, to allow us to operate as a Care Farm and have a hub, so that we can provide a service in all weathers.

We were hoping that after a year we would be able to tell you that we have had it all approved and we were moving forward. However it is still ongoing and we have the final stages in early January.

We very much hope that the council can see all the many positives and benefits, and that 2022 can start in a truly positive way for us. Keep everything crossed for us and we will update you when we have news.

SO ALL THAT REMAINS TO SAY IS 'THANK YOU SO MUCH' FOR YOUR INTEREST AND ONGOING SUPPORT FOR OUR SMALL CHARITY. IT KEEPS US MOVING FORWARD AND IS SO APPRECIATED.

Have a safe and special Christmas
