

## What My Clients Say...

"I have used Angela to sell two properties and for each property, had formal contracts in place in less than one month. On one occasion, I had a house listed with another Realtor for six months with no offers and the main suggestion my other Realtor made was to lower the price. When I switched to Angela, she gave me several suggestions on low-cost projects I could do to help the property show much better and within 2 weeks of listing, we had a contract. Angela utilizes both traditional and non-traditional sources to market her listings, exposing your property to far more buyers than most Realtors." Thomas

"Angela, I just wanted to take a moment to thank you and your team profusely for being such a fantastic realtor. Thanks to you, I feel like the sale of our house could not possibly have been any faster or easier. Sam and I have been so pleased throughout the process from start to finish, and we will recommend you to everyone and anyone we know who is looking to sell (or buy) a home." Tammy & Sam

"If you want your house to shine and sell, Angela Yeatts is the agent for you! From the first moment that I talked to her, I knew that she would do an excellent job. Angela had great ideas on how to make the house look beautiful and the virtual tour on her website was fantastic. My home had been languishing on the market for several months before Angela came along, and I was quite depressed about the whole situation. Angela came in with a bright, positive attitude. She had great marketing ideas and always gave me feedback after every showing. She was extremely helpful in working with the eventual buyer of the house. She made me feel like I was her only client. Thank you, Angela!" Tina

"We highly recommend Angela Yeatts to anyone buying or selling a home in the Dallas area. Angela has a great knowledge of the Dallas housing market and was extremely helpful to us as we got ready to put our home on the market. She was always extremely thorough, prepared and organized. In addition, she was easily accessible when we had questions. Our home went under contract the very first day on the market and our sale progressed without any complications" Brad & Sandra

"We sold our house in only 10 days and Angela did a really good job getting our house ready for market. She was very insightful, very on the ball." Mary & Pete

"Working with Angela was a great pleasure for us! We all got along well from the start and continued to have fun through the peaks and valleys of the house selling/buying journey. Angela has a keen sense of the housing market; she used comparable properties to recommend the perfect selling price for our house, and could easily tell us when a house we were looking to buy was overpriced." Rodney & Anthony

"I want to thank you for your patience, promptness, and professionalism. You have been so responsive to my million emails and inquiries a day. I assume the scary-new-world feeling of having just gone on the market will wear off soon and I'll get used to it. In the meantime, I appreciate your responsiveness!" Penny

"I want you to know how much I appreciate you and everything you are doing for me. I feel very confident you are representing me in every way and giving me excellent professional advice and guidance. Thank you. Diane"
