## Prepared

### Accidental Death Term Insurance

## When you're prepared, your family is protected

You can't predict when an accident will happen. In fact, someone is killed by an accident every five minutes in America. Accidents are the leading cause of death in America for people up to the age of 41.\* But, you can be prepared.

Foresters Prepared Accidental Death Term Insurance can help protect your family from financial hardship should a tragic accident<sup>1</sup> strike.

### Protection when you need it

Prepared Accidental Death Term Insurance offers simple, affordable accidental death protection up to \$300,000.

\* Source: National Safety Council, September 2007.

<sup>1</sup> Accident means an accidental bodily injury that is the direct result of an accident, independent of an illness, disease, condition or bodily infirmity.

<sup>2</sup> In some states, the Return of Premium Rider is a mandatory rider and will automatically be included at an additional cost on all Prepared contracts issued in those states.

<sup>3</sup> Insurability depends on answers to questions in the application and on the outcome of the underwriting review based on underwriting requirements and guidelines.

### Build customized coverage

Prepared Accidental Death Term Insurance offers several optional riders at extra cost to greatly enhance your benefits.

Becoming unable to earn an income can have a severe impact on you and your family. So, Prepared Accidental Death Term Insurance offers disability income protection. The optional **Disability Income Rider (Accident Only)** can provide you with regular monthly income, so total disability due to an accident doesn't have to mean financial disaster. In addition, the optional **Waiver of Premium Rider (Accident Only)** can protect your valuable insurance coverage during total disability due to an accident.

If you choose the **Return of Premium Rider**<sup>2</sup>, you may get back all of the eligible premiums you've paid, if you outlive the term of your certificate.
