39 hour course (minimum), 141 hours self-directed study

Ofqual regulated
Exceeds PHEM Framework Level E

Certificate remains valid by maintaining CPD portfolio and OOHAILS certification

Course Overview

The **Qualsafe Level 4 Certificate in First Response Emergency Care (RQF)** is a regulated and nationally recognised prehospital care qualification specifically designed for those looking to progress their career within the NHS or independent ambulance services as an emergency care assistant, intermediate ambulance practitioner, or event medical provider. It is also ideal for those who are looking to work within specialist roles in the military, police and fire services.

Following on from the Qualsafe Level 3 Award in First Response Emergency Care (RQF), this qualification provides learners with a wider scope of practice in prehospital care emergencies and also forms part of a progressive suite of prehospital care qualifications.
