

This year, the Jordan Commercial Club's - 9th Annual Mill Pond Masters will be held on Saturday, February 13th, 2021 at Lagoon Park on the pond. As we have done in years past, we are looking for Hole Sponsors and Door Prizes for this event. However, we do understand that this past year above all years has been difficult for many.

This year's event will look a little different than in years past. There will not be an awards ceremony and happy hour at Clancy's. This year we plan on doing door prizes on the ice while participants are playing.

For those who would like to participate by being a hole sponsor, we are going to be putting together a 1 DAY ONLY coupon to be valid only on the day of the event. This coupon will be given to each golfer at registration in place of drink tickets. Our hope that this will drive business to our local businesses. If you would like to participate, please contact us with your coupon offer or special by February 5th.

If you would like to be a hole sponsor you can register online at:

<https://jordancommercialclub.org/ice-golf-sponsor-page>

or send a check to:

Jordan Commercial Club
315 Broadway Street South
Jordan, MN 55352

Thank you to all that help make the event work!
