

This year, the Jordan Commercial Club's - 12th Annual Mill Pond Masters will be held on Saturday, February 10th, 2024, at Lagoon Park on the pond. As we have done in years past, we are looking for Hole Sponsors and Door Prizes for this event.

This year we will again be offering a 1-page Event Coupon. This coupon will be given to each golfer at registration. Our hope is to drive business to our local businesses. If you would like to participate, please contact us with your coupon offer, or special, along with your artwork by January 31st.

This year's award ceremony will be held on the Ice. During the day there will also be drawings for door prizes and raffles.

If you would like to be a hole sponsor you can register online at:
