CRLG Couture-Cut.

The CRLG Couture-Cut Mark is applied to finished products that are completed by our leading experts as a one-of-a-kind piece. The finished works sit between the high fashion and fine art world as architectural details, masterpieces and icons. The completed pieces are made by CRLG and CRLG Affiliated Companies in LaGrange, GA in the couture-cut custom product division with highly specialized designers, artists, sculptors, and high-quality material suppliers to complete each contracted project. There are a limited number of projects per year based on the availability of the team. Inquire for work examples info@crlg.us or give us a call +1.706.457.8008 PH.
