CRLG Manufactured Product.

The CRLG manufactured products are licensed exclusively to and manufactured by CRLG Manufacturing LLC in LaGrange, GA. These products include CRLG™ Classic Metal Patinas, CT Stone™, CercaTrova® that have been recreated in a modern iteration by the founders to bring the historic buildings of the United States back to life and to add patina to the new buildings being built today. The proprietary mixes and additives are available by special order to be used by artisans, makers and tradespersons to bring artistry and high-quality work back to the forefront of our modern culture. Master Classes offer expert instruction on the use of the materials and CEU's for industry professionals. Inquire for more info@crlg.us or give us a call +1.706.457.8008 PH.
