 culinary practice of pickling veggies in a
 sour/sweet/salty solution which is
 basically what we are doing in our
 fermenter. This beer has amazing color
 from NC carrots, & fresh VA Beach
 cucumbers provide a cool crisp aroma.
 This is our sourest kettle sour to date.
 However, the tartness is complimented
 by a subtle sweetness from the carrot & a
 gentle salinity from the addition of sea
 salt. This beer also has some nice guava
 notes from a small late hop addition of El
 Dorado hops. Haf \$230

Jamestown Brown is our nod to a
traditionally brewed 18th century ale
recipe (while using the convenience of
modern malt). Chocolate and caramel
malts pair delightfully with the biscuit
notes of Marris Otter malt, with just a
touch of special roast. Willamette hops
give a mild, earthy, slightly floral profile to
the sweet roasted malt for a deliciously
well-rounded Brown Ale. Sixtel \$89 Half
