

1st Letter from the Son of Man

Dear Senior Religious Leader, who is more likely **safe** under the **Mercy** of the Most High,

I AM **Jabulani Nkabinde** the representative of **WISDOM**, **WISDOM** is the King of Kings, Lord of Lords, and God of Gods. I, Jabulani, have annexed the Flat Stationary Earth, and I am tasked to Weaken the Evil Nations and I am tasked to Exalt the Most High's Throne Above that of the Fallen Stars of God and I am commanded to be Like the Most High. The Most High is loving, I be loving, the Most High is merciful, I will be merciful.

I consider you a Blind King (Pharoah) parallel to the biblical story in the bible under exodus between a character called Moses and a ruler of Egypt called Pharoah. I say you are a Blind King because there is one or more of the **7 non-negotiable** areas that you are hocking Afrikans to.

I request that you pray to the **ONE** you consider supreme in your life to verify or deny the information under these two files: "**Choose Your God**" and "**7 Areas to be Fixed**". I know if you are genuine in your prayer the Most High will confirm the content of the two files. If the content of the two files is confirmed within you, then I now classify you as a **Resurrected Christ**, please assist me in making Afrikans save themselves from Satan.

If you deny any of the content of the two files and you choose to continue with Christianity, Islam, Judaism, or any religion brought by non-Afrikans or you continue with any practice brought by **fallen angels** like slaughtering of animals, then I now consider you a **Rebellious Pharoah**, but I still love you and I will await your repentance.

May the Most High and your Righteous Ancestors (Angels) be with you.

Kind Regards

Jabulani Nkabinde

2nd Letter from the Son of Man

NB! This letter is only applicable if you remain unrepentant after **7 days** of receiving the truth as presented in the “**Choose Your God PDF**” and “**The 7 Areas to be Fixed**”. Unrepentance is defined as continuing to promote directly or indirectly the slaughter of animals as well as teaching Christianity, Islam, Judaism, or any other religion brought by the non-humans (Arabs, Asians, & Europeans).

=====

Dear Rebellious Pharoah, who is **barely safe** under the **Longsuffering** of the Most High,

You are continuing with one or more of the following:

- trapping Afrikans to Satanic religions.
- the display of **crosses** which are a Satanic symbol of the destruction of an Afrikan mind.
- practices that are not authorized by the Creator of Spirits, *example*, the slaughter of animals.

I say unto you, “**LET MY PEOPLE GO and/or STOP Animal Cruelty!**”

May the Most High and your Righteous Ancestors (Angels) direct you to make the right decision.

Kind Regards

Jabulani Nkabinde

3rd (Last) Letter from the Son of Man

NB! This letter is only applicable if you remain unrepentant after **21 days** of receiving the truth as presented in the “**Choose Your God PDF**” and “**The 7 Areas to be Fixed**”. Unrepentance is defined as continuing to promote directly or indirectly the slaughter animals as well as teaching Christianity, Islam, Judaism, or any other religion brought by the non-humans (Arabs, Asians, & Europeans).

=====

Dear Stiff-Necked Pharoah, who is under the **Judgment** of the Most High,

You have continued to hock Afrikans to Satanic religions and/or display of Satanic symbol of a **cross** and/or practices that are not authorized by the Creator of Spirits. Therefore, your **rebellion** will be judged as **witchcraft**.

I said, “**LET MY PEOPLE GO!**” and you refused to distribute truth to them, therefore, ask your god to protect you from the fire I am lighting against you.

May the righteous judgement of the Most High be upon all sinners and blasphemers.

Kind Regards

Jabulani Nkabinde
