**WISDOM** is high divine **POWER**, HD power is the ability to do righteous **WORK**, and r-work is righteous **FORCE** multiplied by **DISPLACEMENT**.

The beginning of Wisdom is to **RESPECT** the Most High (uNkulunkulu).

### (i) Foundation:

#### a. Wickedness

**WICKEDNESS** is high evil **POWER**, HE power is the ability to do evil **WORK**, and e-work is evil **FORCE** multiplied by **DISPLACEMENT**.

The beginning of "wisdom" is to **FEAR** god (tribal/national deity).

## Self-Cursing Names

1. **Jehovah** (Ya-Hovah) “J” appears from 1524 AD.

**Ya or Ea** is a Creator in Sumer/Abantu & **Hovah** means destruction in Hebrew. Thus, **Jehovah** means creator of **destruction**, which is **Satan!**  
Afrikans, **google** this yourself and **WAKE UP!!!**

2. **AMEN (Gadreel or Azazel)** is a fallen angel the 1<sup>st</sup> to be trapped in the Earth, he caused “**EVE**” to sin.

Refer to **Enoch 69:2 & 6** and **Enoch 8:1**

3. **Jesus** - *English* or **Yashua** - *Hebrew*, comes from Abantu languages, since the fake Hebrew language was forged from Abantu languages by adding “**h**” and playing around with vowels in the Abantu words. The Hebrew language comes mainly from IsiZulu, Kikongo, and Lingala.

Thus, it has been reasoned that the origin of the name “Jesus” is **Yasusa**, which means “**remove the Creator**”, because “susa” in isiZulu means remove. The name Suruel (Uriel) has been reasoned that it was Zuluya, which means the Creator is **Zulu** who is **Ntu/Wisdom/Ma**. The symbol of Christianity is a **cross**, which when compared with the **Ankh**, the **Mother** has been removed and replaced with a man. This is the **major spell** majority of Abantu are under, trapping them in Satanic religions because they lack **Wisdom**, the **Great Mother**.

**Christianity, Islam, Judaism, and Neo African Spirituality** are religions of **SATAN**, Afrikans, come out of them!!!

**NB:** The law of **blessing & cursing** is **blind** (Isaac Gen 27:27).

If any person with **room of repentance** ends up not entering the **New Earth** it will be because of the minimum of four:

1. **Texts** (blindly believing in what is written, especially the bible)
2. **Pride** (unhealthy ego, unteachable)
3. **Laziness** (lack of endeavour to seek or confirm truth)
4. **Cut from roots** (especially the original Abantu language & culture)

This is **information**, it **does not** save! work out your own **salvation** with reverence & seriousness to turn this information into **knowledge**, then you will **save yourself**. With this **information** you are hereby appointed as a **light** for your family, friends, social media contacts, and colleagues, share with them so that they can save themselves if they choose to. *Ezekiel 33:2 – 6*.

What is in pages 1 to 4 is “The Complete LIGHT”, if you choose to return to Embo Abantu Spirituality, then welcome to the New Earth. If you reject it as a Muntu who has a room of repentance then, you must hope that Jabulani Nkabinde, the Light-bringer, is the Antichrist or a Madman or is Powerless to execute judgment, but if none of the three is true, then KHALA.
