### **The transition of commercial and organisations structure from Year 2000 to Year 2022.**

Basis the assessed requirements of perceived-direct-invoicing for our clients; undertaking direct-sales tasks and associations w.e.f year 2021 at India; by our co-consultants and by intent and encouragement of our core-investing team, SHL based at CN-Region with co-stake holders at EU-Region; we will be forming a formal registered legal entity for the IN-Region; Sync-Global (India) Pvt. Ltd starting; 31<sup>st</sup> March 2022 which will migrate the operations based at India to this new stronger and more organised entity in-phases.

This change will entitle Sync-Global teams (#TeamSync Members) to designate Investing Associated Co-Consultants (IACC) as Co-**Directors** with a formal share-holding pattern and formal incomes.

The pattern will also initiate designating the Non-investing Associated-Consultants (NIAC) as Business Consulting Members-Fx.

### **Team Sync Expansion plans at territories beyond current operating locations at IN-Region, CN-Region, EU-Region and AU-Region.**

Sync-Global co-consulting associated firms in India and abroad are mutually exploring partners to expand operations at more cities, globally.
