

City of Florence MS
Public Announcement
Updated

Crews will begin updates to water main valves on the West side of Hwy 49 beginning Mon Oct 20th from 9 pm – 5 am. Monday night installation work will be on Lewis St and White Rd.

On Tues Oct 21st and Wed Oct 22nd from 9 pm – 5 am each night updates/repairs will be made at the intersection of West Main St and N Church St at the downtown red light.

Roads will be open on Monday and Tuesday but lanes may be reduced during repairs. On Wednesday, Oct 22nd beginning at 8:00 am the intersection at West Main St and Church St at the redlight will be closed throughout the day and will reopen early Thursday morning. Please make alternate plans.

A boil water notice will be in effect for all customers on the West side of Hwy 49 that experience loss of water pressure during repairs. A text alert will be sent out when the boil water notice is lifted. Sign up for text alerts by texting the word Florence to 844-621-4545.

Crews will be working at night to reduce the impact of the service interruption for customers. The new valves will reduce the number of customers that lose service during future water line repairs. Thank you.
