

The pavilion, located next to the Splash Pad, is the perfect place for parents who want to relax, sit, and enjoy watching their children play. Restrooms are located in the pavilion.

Rubber-soled water shoes are strongly recommended for all participants.

Severe Weather Policy:

In the event the splash pad closes due to severe weather, patrons will be allowed a one-time redemption to re-enter the splash pad on a future date with a dated receipt. This offer is valid for the current season only. No refunds will be given.

Unlike a swimming pool, these wet play areas have little or no depth to the water, making them perfect for anyone who does not swim but wants to enjoy some cool, wet fun.

Water is chlorinated and circulated through a filtration system

Please report any vandalism!
