Dam: #8A (commercial katahdin ewe) Sire: SEB 88Z (registered katahdin ram) This commercial ewe lamb is nice & thick with a nice hair coat. Coming from very maternal, good milking lines she should produce nice meaty lambs. 11C's dam was off a registered katahdin ram so this lamb has a strong katahdin influence. This lamb has been exposed to a registered katahdin ram (PRK 5C). She will make a good replacement ewe. Come & check her out!

This registered Katahdin ram Reg# S-[CAN]25159-A lamb was born & raised a twin. He is one of my top picks out of the lamb flock this year. He is a nice, thick ram who has a quiet temperament. The sire of this ram was pure red so there is potential for this guy to throw colour. These lambs are raised on pasture. If you are looking for a ram, come & check him out!
