Greetings from the Grasslands All Canada Sheep Show and Sale Committee

Welcome to Saskatchewan and to the 2019 Grasslands All Canada Classic Sheep Show and Sale!

The 2019 Grasslands All Canada Classic Sheep Show and Sale is co-hosted by the Saskatchewan Sheep Breeders Association and the Saskatchewan Sheep Development Board.

We've been working hard and are confident that this year's event will be very successful. As at every Classic the sheep are the main attraction. However; we've added several other attractions including an extensive Trade Show with over 30 exhibits, Wool Working Sheep to Shawl demonstrations, Shearing Competition and Working Dog demonstrations.

We want to wish you all the best of success with the sheep show and sale. Take in the events, but most of all take the time to get re-acquainted with old friends and make some new ones.

Welcome to Saskatchewan and enjoy your stay!

Welcome To Humboldt!

A Classic Welcome / La Classique vous accueille

Welcome!

Bienvenue!

On behalf of the board of directors of the Canadian Sheep Breeders' Association, I would like to take this opportunity to welcome everyone to the 2019 All Canada Sheep Classic in Humboldt, Saskatchewan.

We have 385 entries from 71 consignors representing 20 breeds. This is a great opportunity to purchase top quality sheep from across Canada, catch up with old friends, make new ones, and share the wealth of ideas and experiences.

On behalf of the board of directors, CSBA members and myself, I would like to thank the Saskatchewan Sheep Breeders' Association, the Saskatchewan Sheep Development Board and volunteers for their dedication and hard work over the past year. Your commitment to host the 2019 Classic ensures it will be an event remembered fondly by all who participated. I look forward to seeing you in Humboldt!

Bruce Sinclair
CSBA President

Au nom du conseil d'administration de la Société canadienne des éleveurs de moutons, j'ai l'honneur de souhaiter la bienvenue à tous les participants de la Classique canadienne du mouton 2019, qui aura lieu à Humboldt.

Nous avons 385 inscriptions provenant de 71 consignataires représentant 20 races. Il s'agit d'une excellente occasion d'acheter des moutons de qualité supérieure provenant de partout au Canada, de revoir des amis de longue date, de faire de nouvelles connaissances, et d'échanger une foule d'idées et d'expériences.

Au nom du conseil d'administration, des membres de la SCEM et de moi-même, j'aimerais remercier la Saskatchewan Sheep Breeders' Association, the Saskatchewan Sheep Development Board et les bénévoles pour leur dévouement et leur travail acharné au cours de la dernière année. Votre engagement à accueillir la Classique 2019 fera de ce rassemblement un événement dont tous les participants garderont un chaleureux souvenir. J'ai hâte de vous voir à Humboldt !

Classic Code of Conduct
Code de conduite de la Classique Canadienne

The All Canada Classic is a family-oriented event that showcases the sheep industry on a national level. Professional, courteous and kind behaviour toward all participants and attendees is expected at all times. Unprofessional or inappropriate behaviour will not be tolerated and may result in the ending party's immediate removal from the event and/ or their suspension from the CSBA.

La Classique canadienne, événement axé sur la famille, offre une vitrine à l'industrie du mouton à l'échelle nationale. Un comportement professionnel, courtois et aimable envers tous les participants et les participants y est attendu en tout temps. Aucun comportement non professionnel ou inapproprié ne sera toléré et pourra entraîner l'exclusion immédiate de la partie contrevenante de l'événement et/ou sa suspension de la SCEM.

All Canada Classic Sale – Terms & Conditions

All Canada Classic Sale – Terms & Conditions

ORDER OF SALE:

- 1) Breeds will sell in the same order that they are listed in the show catalogue (alphabetical)
- 2) Within each breed, the sale order will be Champion Ewe, yearling ewes, senior ewe lambs, junior ewe lambs, Champion Ram, yearling rams, senior ram lambs, junior ram lambs.
- 3) Within each class, animals will be sold by the order of their placing in the show.

HEALTH and SOUNDNESS: All animals will be rigidly culled by the culling committee and the attending veterinarian. Please inspect your animals carefully at home. The following list outlines some of the undesirable physical traits that will serve as cause for an animal to be culled, but does not exclude other reasons that an animal may be culled.

1. Malocclusion / Dental Alignment
2. Lameness
3. Presence of external parasites
4. Orf lesions
5. Abscess
6. Entropion
7. Genital malformation
8. Body condition score less than 2
9. Any other condition that concerns the veterinarian

The sale committee is authorized to settle any and all disputes regarding culling and to interpret the rules. The committee culls based on health and sale standards, not breed standards. Their decision will be final.

All animals that have been culled must be immediately removed from the sale facility.

REGISTRATION CERTIFICATES: Original registration certificates must be signed on the back for transfer and submitted to the culling committee. This applies to all entries with no exception. Failure to supply the registration certificates will cause the animal to be excused from the sale without a refund of entry fee and the animal must be removed from the sale facility. Following the sale and financial settlement, the CSBA office will process transfers and the cost will be deducted from the consignor's sale proceeds. The transferred registration paper will be sent directly to the buyer from the CLRC.

IDENTIFICATION: All consigned animals must either bear legible tattoos or paired CSIP tags. Confirmation that the identification stated on the registration paper is borne by the consigned animal is the responsibility of the culling committee.

All consigned animals must bear a CSIP tag according to CFIA regulations. Animals failing to meet the identification standards will be culled from the sale and must be removed from the sale facility.

COMMISSION: Sale commission is 15%, with the following exceptions: the minimum commission on animals that sell will be \$30 and the maximum commission on animals that sell will be \$250. Sale commission will be deducted from the consignor's proceeds.

BUYERS: Buyers must obtain a buyer's number from the sale clerk before they are eligible to bid in the auction. Buyers must provide their full name, address, telephone number and email address and indicate exactly how each animal is to be transferred.

TERMS: Payment may be made by cash, personal cheque, debit card, Visa or MasterCard. Any animals purchased by credit card (VISA/MC) will be subject to an additional 3% fee. Animals will not be released from the sale facility until payment is processed and the sale is complete. Registration papers will be transferred when personal cheques have cleared the bank.

GUARANTEE: Each consignor guarantees clear right and title to all animals that present for sale.

All animals are guaranteed breeders, if properly handled.

All males are guaranteed breeders. Should any ram fail to prove to be a breeder, any claim for adjustment must be made within 18 months of the date of sale. A satisfactory settlement shall be deemed to be replacement with another ram of equal value and health status or refund of purchase price.

The seller shall have the right, if so desired, to try a ram for as much as 75 days to determine whether he is a satisfactory breeder, before making final adjustment.

All females are guaranteed breeders. Should any female 12 months of age or older, not pregnant at the time of sale, fail to become pregnant during the current breeding season, the purchaser has the right to claim adjustment in writing to the seller within 12 months of the sale. Should any female younger than 12 months of age and not pregnant at the time of sale, fail to become pregnant during the current breeding season, the purchaser should notify the seller within 12 months from the date of sale, but wait to see if the ewe again fails to become pregnant by 24 months of age, before claiming adjustment in writing to the seller. Satisfactory settlement shall be deemed to be replacement with another ewe of equal value and health status or refund of purchase price.

The purchaser shall notify the seller as soon as any concern with an animal arises.

Exposed ewes of any age, even if marked prior to sale, are not guaranteed to be pregnant or produce living lambs.

Under no conditions will the seller be liable for more than the original purchase price of the animal.

The seller may direct the marketing of the animal and refund the difference between the purchase price and the market value as shown on the sales receipt.

No incidental expenses, such as feed, care, etc. will be charged by either party when making settlement.

All transportation charges are the responsibility of the buyer.

Any settlement of such guarantee is between the seller and buyer and is subject to the restrictions set out above. The Canadian Sheep Breeders' Association, the Saskatchewan Sheep Breeders' Association and Saskatchewan Sheep Development Board assume no responsibility, expressed or implied, with respect to this guarantee or the restrictions set out above.

RISK/REMOVAL: All animals are at purchaser's risk as soon as sold. Delivery must be taken at conclusion of sale. All animals must be removed from the barn by 10:00 pm on Sunday July 21st, 2019.

ERRORS: If any errors are noted, corrections will be made from the auction stand. All announcements at sale time, written or oral, supersede any material written in this catalogue.

LIABILITY: The Canadian Sheep Breeders' Association, the Saskatchewan Sheep Breeders' Association, the Saskatchewan Sheep Development Board and their directors, owners and employees accept no liability that may occur. Accidents at sheep sales are very rare, but all attending must do so at their own risk.

Vente Classique Canadienne du Mouton – Conditions

ORDRE DE VENTE:

- 1) Les races se vendront dans leur ordre d'énumération au catalogue de l'exposition (alphabétique)
- 2) Dans chaque race, l'ordre de vente sera la brebis championne, les brebis d'un an, les agnelles senior, les jeunes agnelles, le bélier champion, les béliers d'un an, les agneaux senior et les jeunes agneaux.
- 3) Dans chaque catégorie, les animaux seront vendus selon leur ordre de placement dans l'exposition.

SANTÉ et SOLIDITÉ: Tous les animaux seront réformés de façon stricte par le comité de réforme et

le vétérinaire traitant. Prière d'inspecter vos animaux avec soin chez vous. La liste suivante énonce certains des caractéristiques physiques indésirables qui conduiront à la réforme d'un animal, mais elle n'est pas exhaustive de tous les motifs de réforme.

1. Disclusion
2. Boiterie
3. Présence de parasites externes
4. Lésions d'ecthyma contagieux
5. Abscess
6. Entropion
7. Malformation génitale
8. Cote de condition physique inférieure à 2
9. Toute autre maladie qui concerne le vétérinaire

Le comité de vente est autorisé à régler tout différend en ce qui concerne la réforme et à interpréter les règles.

Le comité sélectionne les normes de santé et de vente et non les normes de race. Ses décisions seront finales.

Tous les animaux ayant été réformés doivent être immédiatement retirés de l'installation de vente.

CERTIFICATS D'ENREGISTREMENT: Les certificats d'enregistrement originaux doivent être signés à l'endos pour le transfert et soumis au comité chargé des animaux de réforme. Cela vaut pour toutes les participations sans exception. À défaut de fournir les certificats d'enregistrement, l'animal sera exclu de la vente sans remboursement des droits d'entrée, et l'animal devra être retiré de l'installation de vente. Après la vente et le règlement financier, le bureau de la SCÉM traitera les transferts, et le coût sera déduit du produit de la vente du consignateur. Le document d'enregistrement transféré sera envoyé directement à l'acheteur par le SCEA.

IDENTIFICATION: Tous les animaux consignés doivent porter des tatouages lisibles ou des étiquettes PCIM jumelées. Il incombe au comité de réforme de confirmer que l'animal consigné porte l'identification indiquée sur le document d'enregistrement. Tous les animaux consignés doivent porter une étiquette PCIM, selon les règlements de l'ACIA. Les animaux qui ne répondent pas aux normes d'identification seront retirés de la vente et devront être retirés de l'installation de vente.

COMMISSION: La commission de vente est de 15%, avec les exceptions suivantes: la commission minimale sur les animaux qui se vendent sera de 30\$ et la commission maximale sur les animaux qui se vendent sera de 250\$. La commission sera déduite du produit du consignateur.

ACHETEURS: Les acheteurs doivent se procurer un numéro d'acheteur auprès du commis des ventes pour pouvoir enchérir à l'encan. Les acheteurs doivent donner leurs noms et prénoms, leur adresse, leur numéro de téléphone et leur adresse de courriel

et indiquer exactement comment chaque animal doit être transféré.

CONDITIONS: Le paiement peut être fait au comptant ou par chèque personnel, carte de débit, Visa ou Mastercard. Tous les animaux achetés par carte de crédit (VISA / MC) seront soumis à des frais supplémentaires de 3%. Les animaux ne pourront pas sortir de l'installation de vente avant le traitement du paiement et la vente est complète. Les documents d'enregistrement seront transférés lorsque les chèques personnels auront été compensés par la banque.

GARANTIE: Chaque consignateur garantit que le titre sur tous les animaux présentés à la vente est libre de toute charge.

Tous les animaux sont des géniteurs garantis s'ils sont manipulés de façon appropriée.

Tous les mâles sont des géniteurs garantis. S'il s'avère que le bélier n'est pas un géniteur, la demande de rajustement doit être faite dans les 18 mois de la date de la vente. Un règlement est considéré comme satisfaisant s'il y a un remplacement par un autre bélier de valeur et d'état de santé équivalents, ou un remboursement du prix d'achat.

Le vendeur a le droit, s'il le désire, d'essayer un bélier pendant un maximum de 75 jours pour voir s'il est un géniteur satisfaisant, avant de faire le rajustement final.

Toutes les femelles sont des génitrices garanties. Si une femelle est âgée de 12 mois ou plus, n'est pas enceinte au moment de la vente et ne tombe pas enceinte au cours de la saison d'élevage en cours, l'acheteur a le droit de réclamer un rajustement au vendeur, par écrit, dans les 12 mois de la vente. Si une femelle de moins de 12 mois, qui n'est pas enceinte au moment de la vente, ne tombe pas enceinte au cours de la saison d'élevage en cours, l'acheteur devrait aviser le vendeur dans les 12 mois de la date de la vente, mais attendre de voir à nouveau si la brebis ne tombe pas enceinte dans ses premiers 24 mois, avant de réclamer un rajustement au vendeur, par écrit. Un règlement est considéré comme satisfaisant s'il y a un remplacement par une autre brebis de valeur et d'état de santé équivalents, ou un remboursement du prix d'achat.

L'acheteur doit aviser le vendeur dès qu'il y a une préoccupation au sujet d'un animal.

Il n'est pas garanti que la brebis exposée, à tout âge, même si elle est marquée avant la vente, est enceinte ou produira des agneaux vivants.

En aucun cas, le vendeur ne devra payer plus que le prix d'achat original de l'animal.

Le vendeur peut ordonner la commercialisation de l'animal et rembourser la différence entre le prix d'achat et la valeur marchande indiqués sur le reçu de vente.

Aucuns frais accessoires, par exemple, pour les aliments, les soins, etc. ne seront imposés par l'une ou l'autre partie au moment du règlement.

Tous les frais de transport sont à la charge de l'acheteur.

Le règlement de la garantie se fait entre le vendeur et l'acheteur, sous réserve des restrictions énoncées ci-dessus. La Société canadienne des éleveurs de moutons, Saskatchewan Sheep Breeders' Association et Saskatchewan Sheep Development Board n'assument aucune responsabilité, expresse ou implicite, en ce qui concerne la garantie ou des restrictions énoncées ci-dessus.

RISQUES/RETRAIT: Tous les animaux sont aux risques de l'acheteur, dès leur vente. La livraison doit avoir lieu à la conclusion de la vente. Tous les animaux doivent être retirés de la grange avant 2200, le dimanche 21 juillet 2019.

ERREURS: Si des erreurs sont notées, des corrections seront apportées au kiosque d'encanteur. Toutes les annonces au moment de la vente, écrites ou verbales, l'emportent sur ce qui est écrit dans le catalogue.

RESPONSABILITÉ: La Société canadienne des éleveurs de moutons, Saskatchewan Sheep Breeders' Association, Saskatchewan Sheep Development Board, et leurs administrateurs, propriétaires et employés n'acceptent aucune responsabilité éventuelle. Il est rare qu'il y ait des accidents aux ventes de moutons, mais tous les participants assistent à leurs propres risques.

All Canada Classic Show and Sale Tail Length Requirements

Let's end the discussion on tail length!

We need this...

NOT this!

Over the next three years, the CSBA will gradually implement tail length requirements for the Classic show and sale to create consistency between provinces.

2016: No sheep will be culled for tail length, but producers with sheep that have a "divot", or indentation, will receive a warning and education on proper tail length.

2017: Sheep with a "divot", or indentation, will be culled from the show and sale.

2018 and onward: Sheep must have a caudal fold that can be seen or felt, or they will be culled from the show and sale.

BRIAR GLEN FARM

For over 40 years, Briar Glen Farm has produced Polled Dorsets, who are good mothers, good milkers and easy lambers. Good, solid sheep, who are neither extreme or old fashioned, Briar Glen Dorsets have topped the Olds Test Station many times over all breeds. We had the Highest Selling Sheep at the 2016 Classic in Richmond, Quebec. Many thanks to our buyers Randy and Jelaine McDermit of Southey, SK. and back up bidders, Century Lane Farms of Ontario. Thanks also to volume buyers Ewetopia Farms. 2017 Sheep Classic: Reserve Champion Dorset Ram & Ewe and First yearling Ram & Ewe.

Producer Assurance Rebate Program

The Producer Assurance Rebate Program supports improved biosecurity and animal welfare practices for your operation. This includes: meeting industry standards and seeking certification; improving your understanding of biosecurity and animal welfare needs; and, adopting improved practices through education and awareness, veterinarian or technical expert assessments, audits, and equipment funding.

Eligible Expenses:

Items below are eligible for a 50 per cent rebate, to a maximum program payment of \$15,000. To be considered for funding, producers must have their veterinarian complete the Biosecurity/ Animal Welfare Equipment Recommendation Report before making a purchase. Eligible items include:

- Segregation pens;
- Deadstock site;
- Fencing to prevent access;
- Signage for restricted zones;
- Sanitization stations;
- Loading chutes;
- Headgates;
- Working chute;
- Crowding tub;
- Spin trim chute;
- Sorter;
- Maternity/lambing pen;
- Scales;
- Remote surveillance; and
- Pain control.

Program Requirements:

- Premises Identification Number (PID);
- Canadian Verified Sheep Program training; and
- Veterinary Assessment.

For more information, contact the Agriculture Knowledge Centre at 1-866-457-2377.

Canadian Sheep Breeders' Association
La Société Canadienne des Éleveurs de Moutons

Critères de longueur de queue pour l'Exposition-vente de la Classique canadienne du mouton

Mettons fin au débat sur la longueur de la queue!

Nous voulons ça...

PAS ça!

Au cours des trois prochaines années, la SCEM mettra progressivement en vigueur les règles visant la longueur de la queue aux fins de l'exposition-vente de la Classique, afin d'assurer de la cohérence entre les provinces.

2016: Aucun animal ne sera disqualifié pour la longueur de queue, mais les éleveurs dont des sujets présentent un renforcement à la place de la queue recevront un avertissement et de l'information sur ce point.

2017: En 2017, les animaux présentant un renforcement à l'endroit de la queue seront exclus de l'exposition.

2018 et au-delà: Les moutons devront obligatoirement présenter un palmure caudale visible ou palpable, ou ils seront exclus de la vente.

- **Best lamb pricing in Canada. Ask us to prove it**
- **Year-round producers have the best contract options and our procurement focus**
- **Feeder lamb purchasing any time of the year**
- **Finished and feeder lamb contracts available**
- **We will double production in the upcoming years, creating new opportunities in our industry**
- **New DiFoTiS payment grid launched in 2019, boosted by Rinse & Chill® technology**

The North American Lamb Company (NALC) was created in 2018 from the merger between SunGold Specialty Meats, its lamb finishing unit, and Canada Sheep and Lamb Farms. Our vision is to be the pre-eminent North American sheep products business. Finished or feeder lambs from external producers remains an integral part of our business.

Kurt Paskal and Wade Meunier from NALC will be at the 2019 Grasslands Canadian Classic Show and Sale to meet with producers and industry partners. This event will be a good opportunity for lamb producers to learn more about our company and discover new and better ways to work together while encouraging industry growth. There are many reasons to be optimistic about the future of the Canadian lamb industry.
