

# CARRIER INSURANCE REQUIREMENTS

All carriers must meet the following minimum requirements before any load will be dispatched. Failure to maintain coverage results in immediate suspension.

Coverage Type	Minimum Required	Notes
Commercial Auto Liability	\$1,000,000 per occurrence	Required for all power units
Motor Truck Cargo	\$100,000 per occurrence	Must cover all commodity types hauled
General Liability	\$1,000,000 per occurrence	Commercial general liability
Workers Compensation	Statutory limits (if employees)	Required if you employ drivers
Umbrella / Excess Liability	Recommended \$1,000,000+	Strongly recommended

## CERTIFICATE OF INSURANCE REQUIREMENTS

- ✓ Certificate of Insurance (ACORD 25) must be on file before dispatching
- ✓ **7 Grands Logistics LLC, Kansas City, MO** must be listed as **Certificate Holder**
- ✓ 30-day cancellation notice must be included on the certificate
- ✓ Policy must not have any exclusions that would void cargo coverage
- ✓ Refrigerated carriers must carry Reefer Breakdown endorsement
- ✓ Hazmat carriers must carry endorsements per 49 CFR Part 387

## PROHIBITED POLICIES

- X Policies with "drive other car" exclusions that eliminate coverage while on dispatch
- X Occupational accident policies as substitute for workers' compensation
- X Policies with deductibles exceeding \$10,000 without written approval
- X Lapsed, expired, or cancelled policies
