POLICY INFORMATION

COMPREHENSIVE & PREMIUM PLAN

BATTERY ASSISTANCE

We'll either provide a jump start or arrange a battery replacement if available, to help you on your way. You only have to pay for the battery.*

TOWING

Emergency towing can transport your vehicle to the nearest repairer up to the kilometre limits of your plan. You only have to pay for any excess kilometres.*

FLAT TYRE

We'll change your tyre with your vehicles roadworthy spare or tow your vehicle to a tyre outlet or service centre.*

EMERGENCY FUEL

We will deliver up to 10 litres (or approximately 50km worth) of emergency fuel (unleaded petrol or standard diesel), payable by you at the time of our assistance. Electric or LPG vehicles? We can assist you with Towing.*

PREMIUM PLAN

LOCKOUT ASSISTANCE

If you have accidentally locked your keys in your car, we can assist in gaining entry and if we can't, we will contribute up to \$70 toward the cost of a Locksmith callout.*

AMBULANCE COVER

In the event that your vehicle is in an accident and you or a member of your immediate family requires an Ambulance as a result, we will contribute to that cost.*

CAR HIRE

24/7 will reimburse you the cost of a hire car if your vehicle has had a mechanical breakdown more than 100 kilometres from its registered address and it's been deemed not roadworthy for more than 48 hours.*

ACCOMMODATION - MAJOR BREAKDOWN / ACCIDENT

If your vehicle has suffered a major breakdown / accident and repairs are being carried out more than 100 kilometres from its registered address and you require emergency accommodation, we will reimburse you up to your plan limit.*
