

SULGRAVE MANOR & GARDEN

GEORGE WASHINGTON'S ANCESTRAL HOME

Summer School Group Bookings at Sulgrave Manor

Built in 1539 by the ancestors of George Washington and saved from ruin by donors from both the UK and USA, Sulgrave Manor is the original home of the Special Relationship. Steeped in history with a legacy that unites nations, be inspired by our stories and consider why working together is still important today.

We are opening our doors to Summer Schools within the area and will be available for your group to have access to the property as part of your programme of visits.

We can offer exclusive group bookings on Wednesdays and Thursdays or you can visit during our normal open days on Sundays, Mondays and Tuesdays.

Costs start from £18 per delegate including an introductory talk, freeflow tour and refreshments.

Lunch, breakout spaces and meeting rooms can be added as needed and we can tailor the package to meet your requirements. Bespoke tours are also available on request.

We are a non smoking site

If you would like to know more, or would like to come and visit, please get in touch. We'd love to hear about your plans and show you around our venue.
