GLENGOWRIE/MORPHETTville NEIGHBOURHOOD WATCH GROUP CLOSED

It is with mixed feelings we announce the closure of the Glengowrie/Morphettville Neighbourhood Watch group.

A few reasons lead to the Committee to make this decision. They are as follows:

- Whilst SAPOL have recently announced that meetings can be resumed, we still need to comply with the *Emergency/ Management (Public Activities) (COVID-19) Direction 2020*. Given our meetings are held at the Glengowrie Retirement Village, this is still a restricted venue, and meetings are not allowed.
- There has been a lack of new members to the group and with committee positions soon to be declared vacant at future AGMs it is unlikely these positions would be filled.

While the organisation has closed, I encourage everyone to continue watching out for each other and doing the simple

things that you can do to prevent crime in our community.

In the 5 years I have been involved with the group I have been fortunate to meet some lovely people, those of whom I hope to still bump into when 'out and about' Glengowrie and Morphettville.

NHW GROUP CLOSED

We have welcomed many guest speakers to attend our meetings.

We have also been lucky enough to have had regular attendees from the City of Marion with Jason Veliskou and Kendra Clancy both popular guests.

Our police co-ordinator Patrick Burns has also provided important updates and statistics for our newsletter.

Thank You

It is important we thank our supporters who, without them, we would have been unable to stay strong until this time. These include:

Debbie Dean, Manager of Glengowrie Retirement Village; Mark Bird, Neighbourhood Watch newsletters; local business advertisers; and of course all present and past volunteers of our group including the committed members of the committee Liz Earle (Secretary) and Jean Christie (Treasurer).

Please take care, look after each other and be a good neighbour.

*Warm regards, Kelly van Ruth
NHW Area Co-ordinator*

Support Our Supporters

We would like to thank two important supporter groups in our community. The first are our dedicated volunteers who have delivered newsletters to Glengowrie & Morphettville residents over our many years of operation. The second group are those businesses that advertise with us. Local advertising has paid for our newsletter production and printing. We ask you to return their goodwill & support these community-minded businesses when shopping.
