CAN YOU HELP SAVE WARRADALE NEIGHBOURHOOD WATCH?

We are fast approaching the AGM, where we are hoping to keep our Neighbourhood Watch group going after 30 years of operation with some new faces on the Committee.

If a new Co-ordinator and Secretary cannot be found then the Warradale NHW will cease to exist and the community will very sadly lose an important interface and interaction with SAPOL.

Responsibilities include chairing a bi-monthly meeting on the 1st Wednesday evenings of the odd months, attending Divisional meetings and coordinating our newsletter with the publisher and local volunteers.

This is an opportunity to both serve your community and at the same time meet like-minded locals in a quest to help the community maintain their personal and property security.

I recommend it to anyone who can make the time to put up their hand to give it go. Please ring me on 7420 6484 if you are interested.

So, please do think about attending our AGM on Wednesday 4th September at 7.30pm at Ballara Kindy, Ormonde Ave and support your local Neighbourhood Watch group. Otherwise it will cease to exist.

Regards,

*Bruce Hull, Area Coordinator
Warradale Neighbourhood Watch*

The eSafety Commissioner is responsible for promoting online safety for all Australians.

We are committed to helping all Australians have safer, positive experiences online—just as they would offline.

The Office co-ordinates and leads the online safety efforts of government, industry and the not-for profit community. It has a broad remit which includes providing:

- a complaints service for young Australians who experience serious cyberbullying
- identifying and removing illegal online content
- tackling image-based abuse.

The Office also provides audience-specific content to help educate all Australians about online safety including young people, women, teachers, parents, seniors and community groups.

Our goal is to empower all Australians to explore the online world—safely.

HANDS OFF

Don't make it easy for opportunistic thieves! The 'Hands Off' sticker is available to display on vehicle windows to deter thieves and remind owners to remove valuables and lock up. Stickers are available from your local police station or contact the State Community Engagement Centre on 7322 4061.

If you see any suspicious behaviour, immediately report it to the Police Assistance Line on 131444.

LOCK IT OR LOSE IT!

- Park in well-lit areas
- Close all windows
- Remove all valuables from your vehicle
- Conceal valuables before you park – if they cannot be removed
- Do not leave personal documents in your vehicle.
- Always lock your vehicle if leaving it unattended.
- Carry your keys with you at all times.

Limit the opportunities for offenders to target your vehicle or belongings.

VEHICLE SECURITY — THEFT FROM MOTOR VEHICLE

There are a number of valuable items that are a common target for thieves to steal from vehicles because of their value and ability to be sold for quick cash. These include:

- Laptops
- GPS devices
- Mobile phones
- Cameras
- Sporting and fishing goods
- Cash/wallets

To reduce your chances of becoming a victim of theft, please consider the following security tips.

- Ensure all valuables are removed from your vehicle or conceal them in the boot of the vehicle before arriving at your destination.
- Lock your vehicle doors and close windows.
- Install an audible alarm.
- At night park your vehicle in a well-lit area.
- Engrave your valuables with your driver's license number prefixed with 'S' for South Australia.
- Park your vehicle in a garage at night where possible.
- Avoid hiding a second set of keys in the vehicle - if the vehicle is broken into, they may find the keys and take the car as well as your valuables.
- Avoid placing bags and wallets on the passenger seat where they could be easily grabbed.

Thieves will look into vehicles to see what items can be easily stolen. Even a small amount of cash may be the catalyst for becoming a target. Ensure you conceal or remove all cash and valuable items from your vehicle.

NHW HELPING THE COMMUNITY

Neighbourhood Watch areas work against crime: the public are the eyes and ears for the police in our neighbourhood.

Keeping people informed, being observant and alert, is being proactive against crime. The police can only be in one place at a time, and the area they cover is large.

Any information the public can give Police helps in their investigations.

Come to a meeting, see what we do and show support for your NHW area (details on front page).

Disclaimer: This publication has been prepared as a public service initiative and while every care has been taken in its preparation no warranty is given nor representation, either express or implied, made regarding the accuracy, currency or fitness for purpose of the information, advice provided and no liability or responsibility is accepted by the State of South Australia, its instrumentalities, South Australia Police (their agents, officers and employees) and Neighbourhood Watch SA (Neighbourhood Watch Volunteers Assoc. of SA Inc.) for any loss suffered by any person in consequence of any use of and reliance placed by any person upon the said information or advice.

ERASE GRAFFITI: Vandalism is not (sm)art

If you notice graffiti on Marion Council property and public spaces please report the matter to **83756600**.

Graffiti removal products are available from City of Marion, City Services located at **935 Marion Road, Mitchell Park**, weekdays between 8am and 4pm.

Should you notice graffiti on utilities property please report the matter to:

Contact Police on 131444 if your property has been the target of graffiti.

To help prevent a graffiti attack, ensure existing outside lighting is operating correctly, apply graffiti resistant coatings to protect walls, fences and buildings, keep your property looking neat and tidy (an unkempt property may attract graffiti), keeping trees and shrubs trimmed can reduce concealment opportunities and increases visibility to your home, keep spray paints secured at all times.

Immediately call police on 131 444 if you are witnessing graffiti. If you have information about graffiti call Crime Stoppers on 1800 333 000.

A quick response reduces the time offenders can admire their vandalism.

What does 'cyberbullying' look like?

Cyberbullying can occur in many ways, including:

- abusive texts and emails
- hurtful messages, images or videos
- imitating others online
- excluding others online
- humiliating others online
- nasty online gossip and chat.

How do I stop being cyberbullied?

- talk to someone you trust straight away—like a parent, sibling, uncle/aunt, teacher or friend, or contact [Kids Helpline](#)
- don't retaliate or respond—they might use it against you
- block the bully and change your privacy settings
- report the abuse to the service and get others to as well
- collect the evidence—keep mobile

phone messages, take screen shots and print emails or social networking conversations

- do something you enjoy—catch-up with friends, listen to good music, watch a good show or chat online to people you trust
- remember you didn't ask for this—nobody deserves to be bullied and you will get through this.

School support

Most schools have policies in place to address cyberbullying and should be able to provide support to you and other students, no matter whether the bullying is from a student at your school or not. Talk to a teacher or counsellor you like and trust.
