

For your maintenance issues

Please contact us through one of the following ways:

- Directly to our office- 715-563-0139 and ask for maintenance
- Check the information we gave you the day you moved in
- Check our website - www.PrairieIslandProperties.com (look for the maintenance page)

Our after hour “emergency line”, has been established for TRUE emergencies.

Examples of these are:

- Fire **** CALL 911****
- then call us
- Natural gas leak
- No heat during winter months
- Uncontainable water leak A maintenance technician will respond to TRUE emergency situations **ONLY**.

All other non-emergency maintenance calls will be addressed the next business day during normal hours as listed below.

After hours option to leave a voicemail.
