Lease Terms: Termination – 60 day written notice to vacate: Under all circumstances, Tenant must give at least sixty (60) day written notice to the Landlord informing of their intent to vacate apartment. Landlord must receive notice before the first day of a month. If the notice is received after the first of the month, the 60 day notice will not start until the following month. In all cases, Tenant is obligated for rent monies through the last day of the final month of lease commitment. Tenant agrees to vacate premises by 11a.m. on the last day of Agreement.
