IDENTITY AND DISTRIBUTOR'S INFORMATION

NFPA Rating: Health-2; Flammability-3; Reactivity-0; Special--None
HMIS Rating: Health-2; Flammability-3; Reactivity-0; Personal Protection-B

DOT Description: Consumer Commodity ORM-D
Identity (trade name as used on label): PARTS MASTER ENGINE DEGREASER #0376

Precautions To Be Taken In Handling & Storage:

- Do not eat, drink or smoke in work area. Wash hands after handling.
- Do not puncture or incinerate containers. Do not store at temperatures above 120°F.
- Do not store at pressures above 850 PSIG, as this may cause failure of the container.

Waste Disposal Methods:

- According to local, state and federal regulations.
- Disposal must be in accordance with the DOT regulations (Hazardous Waste Code 7550-230-88).

Hygienic Work Practices:

- Save spill material in suitable container for disposal.
- Exposed skin should be washed with soap and water, then rinsed with water to remove any remaining residue.
- Clothing and equipment exposed to the material should be removed and washed with soap and water.

Other Protective Clothing & Equipment:

- Disposable nitrile gloves are suggested.
- Ventilation Requirements: Adequate ventilation to keep vapor concentration below TLV.

Ventilation Requirements:

- Adequate ventilation to keep vapor concentration below TLV.

Protective Gloves:

- Disposable nitrile gloves are suggested.
- Eye Protection: Safety glasses recommended.

Respiratory Protection (specify type):

- If vapor concentration exceeds TLV, use respirator approved by MSHA/NIOSH for organic vapor.

Other Protective Clothing & Equipment:

- Eyewash station; explosion proof local exhaust if conditions of use allow vapors to accumulate.
- Seek immediate medical attention.

Emergency First Aid Procedures:

- Eye Contact: Flush with water for at least 15 minutes. If irritation, seek medical attention.
- Skin Contact: Remove contaminated clothing; launder before re-use. Wash skin with soap and water; if irritated, seek medical attention.
- Inhalation: Remove fresh air; respirate if necessary. Administer oxygen if breathing is difficult. Seek medical attention.

Hygienic Work Practices:

- Do not eat, drink or smoke in work area. Wash hands after handling.

Other Precautions &/or Special Hazards:

- KEEP OUT OF REACH OF CHILDREN. Read and follow all label directions. Remove ignition sources. Avoid breathing vapors. Avoid food contamination.
