

Mouse House Mayhem!!

Created and Idea by George D. Ruzanski
11/20/2022

Gameplay

- * The Gameplay will featured cats & mice.
- * The mice's goal is to destroy the house.
- * The cat's goal is to protect the house from the mice.
- * Up to 8 players in a 4v4 that anyone plays as a cat or a mouse.
- * Both cats and mice have their own unique weapons and playstyle
- * The gameplay's effects will have destruction environment such as an oven that explodes, a sink that makes the water overflow, some furnitures, cabinets and walls will be destroyed if they used weapons.
- * Destruction War is a regular battle mode in a 4v4 where 4 players can play as a cat or a mouse. The mice will destroy the house all the way to the refrigerator where there is cheese inside of it, while The cats must stop the mice before three minutes is up, wins the match.
- * Campaign Mode is a story mode that features 2 characters have their own like, if the mice already destroy all houses, then they celebrated for victory and having a feast of cheese. Or if the cats stopped the mice from destroying all houses then the cats will celebrated and forcing all the mice to work as slaves.
- * Cheese Blitz is a mode where the mice tries to collect as many cheese as possible, while the cats tries to stop them. When the mice gets 100 cheese or the cats stops the mice, wins the game.
- * Special Events will be featured during gameplay.
- * Costumes will be added to the game as DLC for free,

Swiss Cheddowski

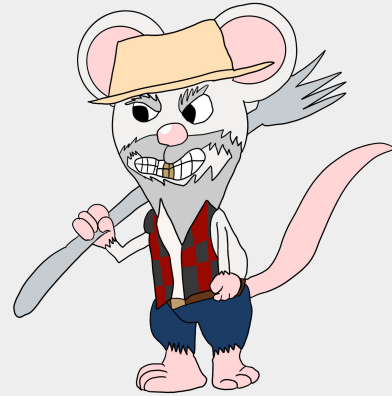

He is a serious no nonsense mouse who is the general and leader of the mice army called, The Anti-Feline Corporation. The other mice want to join him in his mission to destroy houses and steal all the cheese.

- * He can throw Cheddar Grenades that can explode into a glob of cheese that cats get stuck in for 10 seconds.
- * His latest creation, the ButterRoller, a mini paint-roller that makes a line out of sticky peanut butter or a slippery butter to make cats slip or get stuck.
- * He sets up a Radar Detector (a portable radio with a horn on top) that detects feline movement.
- * His catapult is a spoon which he can launch many items from smashing into cats' faces.
- * His main objective is to kick some kitty tail.

Mad-Mouse Manchego

From the backwoods of the backyard, here is Mad-Mouse Manchego. He is a little bit wild and whole lot crazy. There isn't much that he won't do on a dare. His likes are gun shooting, blowing stuff up and whooping some cats tail, you never what he is thinking or might he'll do next. He might be old, but do not underestimate his ability, then he will fork you up.

- * His main weapon is a fork who can stab the cat's tail.
- * He likes to create Booby Traps.

Hunter McMuenster

He is not much for destruction, but he is always up for a good hunt. You cats better have 9 lives. Because if he gets you in his sites, your good as dead.

- * Master Hunter Tracker and Killing Machine
- * His matches are range from matches anywhere from matches to mayhem. But if you believe to get hit, your not waking up.

Chizu

He is a Sophisticated kind of mouse that the ladies adore, with his handsome style and deadly demeanor will shoot you dead and steal your girl.

- * He can shoot needles from his toy gun.
- * He has a chinese fighting star to throw at a cats target.
- * He is an expert of knife play and speed at which he moves will confused anyone.

Victor the Mousor

This Siberian cat loves the cold, but he love catching mice even more. He is a discipline soldier who is job is to protect his house and his cheese.

- * He will use his rifle to shoot poisonous gas for the mice to get infected.
- * He can set up an RC monster truck filled with spiked wheels that can climb walls to chase mice.
- * He can set up mouse traps into any mouse hole or cabinet.

Zh-Ming

This Siamese cat has lots of ninja skills.
Her speed is faster than a cheetah and
her attacks are pretty painful for the mice.
So be careful mice, because she is a very
dangerous feline.

- * She has 2 swords to sliced up those mice.
- * She can run on walls and ceilings too.
- * She throws a boomerang to prey on a mouse's target.
- * She tosses a smoke bomb to dodge from getting hit by the mice.

Dr. Tabby

This Laboratory Feline is a genius, he can create anything in order to stop the mice successful or failed. With his idea and his plan, he'll be able to protect his house. for good.

- * He can throw explosive beakers at a mouse's target.
- * He can collect any objects and equipment to build inventions for the other cats.

Mr. Butcher

He is about thug life, he likes to insight violence and mayhem. He is only ought for himself and he what he gets. He is just looking for steal and creates mayhem for all mice.

* He has brass knuckles, a baseball with nails on it, a butcher knife, and nunchucks in order to defeat all mice.
