"Changing Your World With The Word!"

Just as we should be praising and worshipping Jesus for His Awesome Intervention...Satan attacks believers into immediately worrying about the "What If's"

"ON THE FIRST DAY..."

This isn't a reference to The Book of Genesis, but it is a reference to one of the most historical events in the history of our nation. In fact, it will be written down in many books throughout history trying to explain the reasons why this occurred.

Yes...I am referring to the literal statement of faith and the power of prayer that resulted in the biggest political movement of our lifetimes!

I am so thankful to God for His favor, mercy, and grace...and His unshakable grip on our country!

Be sure to thank Him daily for not giving up on us, when we who are saved, and students of Scripture, realize just how close we are to God removing His Hands from our country...and this is just beginning!

Immediately following the election, President Trump was thanking those who put him where he is...GOD...then us through GOD.

Immediately following the election, the media and the "Blue Few" started trying to figure out "why this happened..."

THE SOLE REASON WE HAVE BEEN GIVEN THIS OPPORTUNITY FOR A TRUE SPIRITUAL AWAKENING IS BECAUSE OF GOD'S PEOPLE PRAYING LIKE GOD'S PEOPLE ARE SUPPOSED TO PRAY AND BELIEVING AS WE SHOULD BELIEVE!

"Will there be fighting, rioting in the streets? Will people deliberately hurt our country?"

Although such things occur always, this time is going to be different because the majority of us sought Him and believed enough to seek His Will before voting....

1 in 3

WHO IS THE "BLUE FEW" GOING TO FIGHT?

Based upon the math of the election results, 1 in 3 "Blue Few" silently voted for President Trump! So, who are they going to blame? No one. Sure, you will have media trying to make something out of looting, shoplifting, but the vast violence of past years will not occur....

AS A DIRECT RESULT OF GOD'S PEOPLE STANDING UP AGAINST THE MOST RADICAL "WOKE" MOVEMENT INTO "SLEEPWALKING"

JESUS

We are the most favored nation on the planet because until the last 90 years, we did two things: **Sinned & Repented!**

MAKE AMERICA GOD'S AGAIN

"Changing Your World With The Word!"

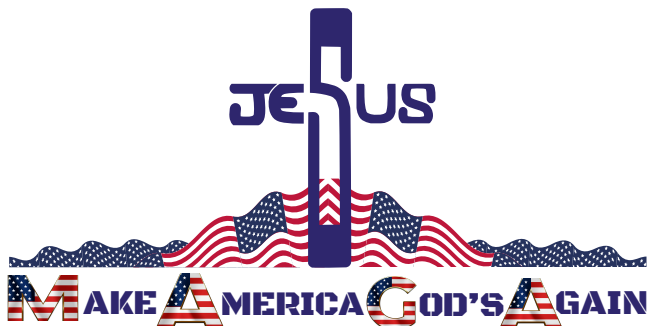

**"WE MUST SEE THINGS
AS THEY TRULY ARE..."**

"Presidents aren't perfect....they are fallible people just as we are. They have faults just like we do. And this is regardless of "which side of the aisle" you find yourself on. It's not about who "wins" but about we all "won"! When we as the Body of Believers seek God's Word for the answers, we all win! I am going to pray for President Trump and Vice President Vance daily. I am going to pray for the Senate, House, and Supreme Court as well. I will pray for our men and women who selflessly put their lives on the line every day to keep us safe!

Psalm 33

**"Blessed is
The Nation
whose God
is The Lord,
the people
He chose for
His inheritance."
Psalm 33:12 (NIV)**

Just like Gideon, President Trump will have to keep listening carefully to God. His 300 mighty men, represent the evangelical Christian who have literally prayed for the much needed changes in order to literally save our republic and maintain peace in the world. We listen to God, President Trump must listen, and do the bidding of The Church under the votes of the people who believe we are indeed "One Nation Under God. Indivisible, with Liberty, and Justice for ALL."

**BELIEVER, YOUR PRAYERS
ALONG WITH YOUR VOTE
HAS RESULTED IN A VICTORY
THAT HAS THE ABILITY TO
CHANGE THE DIRECTION OF
OUR COUNTRY FOR GENERATIONS
TO COME!**

**BUT IF YOUR PRAYERS STOP,
THE MOMENTUM WILL STOP,
BECAUSE GOD'S FAVOR
FADES WHEN OUR PRAYERS TO HIM
STOP!**

**IF OUR PRAYERS KEEP GOING
GOD'S BLESSING WILL.
KEEP FLOWING!**

The morning after the election, I reflected upon the "calm" I felt, when just 24 hours earlier, I felt great calamity and anxiety.

Then I thought of those who were waking up thinking the same, but in "reverse".

One man's victory is another man's misery.. Something else that came to mind was the many times Jesus taught His Disciples (us), to love our enemies."

Note: I consider "enemies" to be anyone, or anything that distracts you from where Jesus wants you."

What is so sad, is we believers immediately start "thinking the worst will happen" instead of fully realizing "God's Best Has Happened!"

This has brought to mind the account or the judge Gideon in Judges 6-8. Think of President Trump as the leader God chose to lead God's nation to defeat the Mideanites. (think of Mideans as all the enemies against our nation, nation Israel, both foreign and domestic. Gideon wasn't the "best" warrior, but he was God's warrior who did his best to defeat the Mideanites.

Gideon enlisted 32,000 fighting men, which wasn't much compared to the 135,000 in the Mideanite army. The day before the battle, God made Gideon go with a mere 300 fighting men. Each man was given a trumpet, a clay jar, and a light torch in each. Gideon had the men silently move all around the Midianite encampment. When Gideon gave the signal, The men shouted "For The Lord, and for Gideon." The Midianites were so shocked they fell on their own swords and fighting each other to the point Gideon and his 300 fighting men were victorious in protecting God's people from being destroyed!

We do not want to "destroy" people who do not believe as we do. That is against The Gospel, and the founding principles of our nation. But where we are in 2024, is not about "ideology". We were heading downward like Molech and Sodom and Gomorrah....that must be destroyed.
