This is Why We R.I.D.E.

Lansdowne Children's Centre is a treatment centre for children and youth with physical, developmental or communication needs which may arise from Cerebral Palsy, Spina Bifida, Down Syndrome, Brain Injury, Muscular Dystrophy, Autism and other developmental delays. We provide specialized care and services to more than 3,000 children and their families in our community annually.

In a perfect world, every child would be able to walk, laugh, speak and play without any physical challenges. With everyone

working together, we can help our children and youth be able to enjoy everything that childhood has to offer such as camping, swimming, exercising, cooking, gardening and enjoying music and arts, just to name a few.

We provide rehabilitation, respite, recreation and other supports in a collaborative partnership. Our recreation department operates without any government funding, which is why your community support is so important to us.

Committed to safety, accessibility and accountable teamwork, we live our values of:

**R - RESPECT,
I - INCLUSION,
D - DIVERSITY &
E - EMPOWERMENT**
