# **Southern Enduro Riders Association**

Well, another season has come to an end. I would like to congratulate our new champion Devin Stokley and all of the other class winners.

SERA ,I believe, is moving forward in a positive direction with the new scoring system and changing from an Enduro and Harescramble organization to an Enduro and Sprint Enduro organization. Hopefully ,we will be able to capitalize on the Sprint Enduro and grow our organization back to where we were in past years. I would like to thank Debbie Rudder and Jimmy Ward for all of the hard work they have put in over the past year.

I would like to offer a special thanks to Darin LaFleur for his special effort working on the new scoring system. Without him, we would have been totally lost. Also to all of the clubs and their members, for without them and all of the hard never ending work they put in every weekend to make our races the best they can be.

I hope to see everyone at the Meridian Sprint Enduro for the first race of the year. Hopefully, it will be a year of fun and great racing.

Thanks to all,

Greg Guy
