

Southern Enduro Riders Association 2018 Awards Book

Well another year has passed and hopefully everyone enjoyed the races. We are very blessed to be able to enjoy the fun we get to have every weekend at a SERA race. The club have worked extremely hard to bring to each and every member a race that everyone can appreciate and enjoy. My hat is off to ALL the club members and numerous others that work to make each and every race a fun and demanding experience .

Going forward I hope the best for the new officers of 2019 and look forward to a great racing season.

Thank You
Greg Guy

Comments: It has been an incredible year of racing and there were a lot of people that helped make it possible! Thanks to God for a safe and successful year. I want to thank my Mom and Dad for taking me to races and supporting my dreams! There is absolutely no way I would have been able to accomplish what I did this year without their support. I would also like to thank Mark Berg and Rod Overstreet for allowing me to represent a great brand in GasGas this year and I'm proud to receive their support for next season as well. I also couldn't have done it without my sponsors Lance Smith at XC Gear, Mike Burgess and Team Sakai, Ronnie Hames at HBD Motographics; all allowed me to equip my GasGas with the best parts available!
