

# CST. RICK O'BRIEN LEGACY COIN

**PRE-SALE**  
ENDS MARCH 15th!

## SIDE 1: THE MOUNTIE

Paying homage to his service, this is an image of Rick cast over the iconic stain glassed panels. Rick was a well respected, admired, and loved member of the Ridge Meadows RCMP where he served for 7 years. Rick was commended for his kindness and willingness to help his colleagues. Rick made the ultimate sacrifice when he came to work on September 22nd, 2023, his day off, to help execute a search warrant.

## SIDE 2: THE CAUSE

Rick had a passion for encouraging youth and motivating them to succeed. He invested himself at every opportunity he could, and found a drive at being a positive influence for children. We look to honour Rick's legacy and supporting his wife Nicole's dream of Closing the Gap between police and kids. The Joint Forces Foundation will be hosting their first annual Youth and Law Enforcement Ball Hockey Tournament, where members can provide that positive influence for children.
