

# Canaan Acres ribbon cutting

By *The Blount Countian Staff* | on July 28, 2021

by Cheryl Helton

On Friday, July 23, Blount-Oneonta Chamber of Commerce held a ribbon cutting ceremony (above) to welcome Canaan Acres wedding/event venue to Blount County. This serene venue, just off Highway 27 near Oneonta, is open for business and can host small or large events such as weddings, birthday parties, family reunions, Christmas parties, and corporate events, as well as provide a photography venue for family photos, wedding shoots, or senior portraits.

Alyson Mock and husband Tyler purchased the venue previously known as Ephesians Farms in late Spring 2021 and are available to answer questions, arrange tours, or book events. Mock can be reached at 205-401-0804.

The venue currently has openings for 2021. Mock said, "Canaan Acres is not just a venue. We want to be a place where memories are made and people have a positive experience from the initial tour to the end of the event.

"Our mission statement is, 'At Canaan Acres, we are dedicated to assisting our clients in planning their special event. Our commitment and goals are to ensure that we implement those plans and are enthusiastic in supporting and exceeding their expectations.'"
