YAMPA VALLEY ELECTRIC
ASSOCIATION

Rays Up Community Solar Garden

YVEA's wholly owned community solar garden is available to members in our service territory who are income qualified and could use help paying their electric bill. YVEA will begin accepting applications for our Rays Up program starting January 1st, 2024.

Questions?

Here are a few quick answers to commonly asked questions about Rays Up

Who can qualify?

Members who pay their own bills, who are at or below 80% AMI, and are qualified through Community Budget Center (CBC) are eligible. Open to CO and WY residents.

How do I apply?

Members may download necessary forms at yvea.com/rays-up and then submit the forms to CBC.

What documents will I need?

Members may need tax returns, W-2s, or pension statements. For a full list, please visit yvea.com/rays-up

Starting January 1st, find out if
you're qualified for a bill offset!
