

United Way of the Yampa Valley

Day of Caring

May 22nd, 2024

### What is Day of Caring?

Day of Caring is a half-day event that takes place from 9 AM to 12 PM. It is organized by the United Way of the Yampa Valley and aims to connect volunteers with projects for nonprofits, government, and low-income individuals in the community.

Through this event, volunteers gain first-hand experience in giving back to their community by working on projects that save labor costs and allow nonprofits to invest their efforts where they can make the greatest impact.

### How You Can Help!

We need **projects and volunteers**. To submit a project, visit the QR code below. When submitting a project you are responsible for designing and planning your project and preparing for the team of volunteers. This means you will provide the tools (gloves, shovels, rags) and supplies (paint, sand paper, buckets etc.) for your team of volunteers that we provide you. Your project will need to be completed in 2 1/2 to 3 hours. Please submit your project by April 10th. Thank you!
