**STATEMENT OF DISCLOSURE**

## STATEMENT OF DISCLOSURE OF DEVONSHIRE

This statement of disclosure is provided to acquaint prospective purchasers with the basic plan of the development of the master planned community known as Kings Ridge (the "Community") as well as the neighborhood known as Devonshire. This statement of disclosure outlines the documents contained in this Booklet. The outline is intended to assist you in understanding the documents, but is neither intended, nor should it be considered a substitute for the reading of each document or for obtaining legal counsel, if required.

### PLAN OF DEVELOPMENT

LENNAR HOMES, INC., a Florida corporation ("Lennar"), is the owner of a tract of land within the Community upon which Lennar intends to build the neighborhood known as Devonshire (the "Neighborhood"). As presently planned, the Neighborhood will consist of 72 Single Family Homes with 19 additional homes added at a future date. Lennar reserves the right to change the number of homes and annex additional homesites into this Neighborhood to accommodate the master plan as it may evolve from time to time. Devonshire at Kings Ridge is not a condominium development.

Lennar presently intends, but is not obligated, to build up to an additional 1,500 homes in the balance of the Community. Lennar has the right, but not the obligation, to expand the Community to up to 1,000 acres or more. Subject to applicable zoning ordinances, Lennar may wish and has the right to develop the 1,000 acres or more into 4,000 or more residences, comprised of homes, villas, townhomes, multi-family homes, condominiums, rental apartments, and other forms of residential dwellings, as well as commercial development which may include shopping centers, stores and professional offices. The planning process for Kings Ridge is an ever-evolving one and must remain flexible in order to be responsive to and accommodate the needs of Lennar's home buyers. The overall Community will be developed in a series of Neighborhoods, of which Devonshire is one.

### STRUCTURE OF ASSOCIATIONS

In order to enable the Community and each Neighborhood to function and perform their duties, Lennar has or will record three documents for each association. They will consist of (i) the Declaration of Covenants, Restrictions and Easements; (ii) the Articles of Incorporation; and (iii) the Bylaws of each Association. The Community Association and Neighborhood Association will maintain, operate, administer and manage the Common Areas owned by each Association. In order to carry out its purposes, each Association shall have lien rights, powers of enforcement and rule making authority to carry out the provisions of these documents. Each purchaser upon closing of title to a home, automatically becomes a member of each Association and thereby acquires, as an incident to the ownership of a home, all rights of use in the Community Common Areas and Neighborhood Common Areas reserved to the Members under the documents. Lennar will initially control each Association and will retain control during the period described in the Articles of Incorporation for the Association.

The Articles of Incorporation of each Association have been or will be filed with the Secretary of State of Florida and set forth the purposes and powers of the Association. The Articles also provide for the qualification and members of the Association's Board of Directors during the period described in the Articles.

The By-Laws of the Association detail the everyday working features of each Association, such as how and when the meetings of the members and Directors shall be held. The By-Laws also contain provisions relating to the preparation of the annual Association expense budget.

Although the owner of a home (the "Owner") acquires the home subject to the provisions of the Declaration and other documents, Lennar has made every effort to preserve the independence and privacy of every Owner. Each Owner owns a tract of land and the home thereon in fee simple (the "Homesite").

### CLUB MEMBERSHIP

There is a voluntary Club Membership associated with this Community. Membership in the Club and payment of the required fees will entitle the members, their guests, and subsequent owners of the member's home to enjoy the recreational and social activities occurring in the Club. These include movies, live entertainment, seminars, physical fitness classes, arts and crafts classes, social clubs and activities, and the use of the swimming pool, Health Club, tennis courts, and shuffleboard courts. Membership in the Club is elective, on a voluntary basis, at the time of the initial purchase of the home. **If the initial purchaser elects to be a Club Member, then that election and Club Membership is, thereafter, irrevocable and the rights and obligations associated therewith run with the home as provided in the Community Declaration.**

**If the initial purchaser does not choose to become a Club Member, then that home and its owners/residents shall not at any time have the right to request Club Membership.** It is a one time election and binds the purchaser, and purchaser's successors and the home. By so doing, Purchaser agrees to be entitled to the benefits and subject to the obligations set forth under the Club Covenants. If a purchaser elects not to become a Club Member, then the Purchaser shall not be required to make payments under the Club Covenants and does not have the privilege of using any of the recreational facilities and other commonly used facilities covered under the Club Covenants. This restriction will be enforced.

The Club Facilities are initially contemplated to consist of the following three phases: (a) Phase I - Phase I is contemplated to consist of a multi-purpose clubhouse building and associated amenities, an outdoor heated pool, two (2) tennis courts, garden area, sales facility and administrative offices (The sales facility and administrative offices may be utilized by Lennar, without charge, for so long as Lennar owns any portion of the Properties.); (b) Phase II - Phase II is contemplated to consist of two (2) tennis courts, a spa facility, an outdoor pavilion, barbecue, and four (4) bocci courts; (c) Phase III - Phase III is contemplated to consist of two (2) tennis courts and four (4) shuffle board courts.

Until the Club Owner, at its sole option and with no obligation to so do, delegates the right and duty to operate, manage and maintain the Club to the Community Association as hereinafter provided, the Club shall be under the complete supervision and control of the Club Owner. The Club Owner has several rights with respect to the Club Facilities including, but not limited to, the right to own, operate, manage, maintain, and insure the Club Facilities, as it determines, in its sole discretion.

A Club Member shall be required to pay the Club Charges which consist of the Club Facilities Fee and a pro-rata share of the Club Operating Costs. Each Club Member shall pay as a Club Facilities Fee the sum of 40.00 per month. The monthly Club Facilities Fee shall increase \$4.00 every three years. See the Estimated Operating Budget for the Clubhouse Operations (Exhibit 12 to this Statement of Disclosure), for a Club Member's share of the Club Operating Costs. For the first year of operation, the pro-rata share is \$26.85 monthly or \$322.20 annually.

The Club Owner reserves the right, at any time prior to the closing of title to the last home, to provide additional or expand any of the existing recreational facilities that

comprise the Club Facilities, all as the Club Owner deems appropriate. The consent of the Owners or the Associations shall not be required for any such provisions or expansion. The cost of any such provisions or expansion shall be borne exclusively by the Club Owner. The Club Owner is not obligated, however, to so expand the facilities or provide additional facilities. The Club Owner shall be the sole judge as to the size, contents, design, style, plans and specifications of all such additional facilities or improvements and the equipment and personnel contained therein; and Club Owner shall also have the right in its sole discretion to add additional lands to the Club Facilities. All such additional lands and improvements shall, upon the designation by the Club Owner, be deemed part of the Club Facilities and subject to all of the terms and provisions of the club Covenants. If the Club Owner decides to construct such additional improvements, the Club Owner shall also have the right to record such instruments in the Public Records of Lake County, Florida, as are necessary for the construction.

The Club Owner has the right at any and all times to provide and make the Club Facilities available to other individuals, persons, firms or corporations, as it deems appropriate. For further information, see the club Covenants, which also provide for certain use restrictions, default remedies and rights in favor of the Club Owner.

### THE GOLF CLUB

The Golf Owner proposes to construct certain privately owned Golf Facilities, which are not part of the club or common area, within the Properties, as may be designated on the Plat thereof, or otherwise, which is, and subject to the provisions hereof, will remain the property of the Golf Owner. The Golf Facilities are not part of the Common Area and no rights of use or otherwise are covered. The Golf Facilities will, or may be, made available to certain owners within the Community on a "first come, first served" basis. Memberships may be offered and, if so, will be governed by the terms of the memberships granted and policies adopted by the Golf Owner. Each Golf Member shall have the right to utilize the Golf Facilities on a non-exclusive basis in common with such other persons, entities and corporations entitled to utilize the Golf Facilities pursuant to the terms of its membership or play policies. The Golf Owner has the right, at any and all times, and from time to time, to provide and make the Golf Facilities available to other individuals, persons, firms or corporations, as it deems appropriate, including persons who may not be Owners or members of the Community Association and operate the Golf Facilities on a private, semi-private, or public course basis. The Golf Owner makes no representations as to the availability of memberships or the capacity of the Golf Course to accommodate all Owners in the Community.

### PROPOSED OPERATING EXPENSE BUDGETS

There are three Proposed Operating Expense Budgets, one of the Neighborhood Association, one for the Kings Ridge Community Association for Community Services, and a budget for the Clubhouse Operations. Lennar, in preparing the budgets, does not have any actual operating experience for the Neighborhood or the Community on which to base the cost and expense figures for examining budgetary items. Lennar based the budget on its experience in other developments similar to the Neighborhood and the Community. Accordingly, until December, 1996, each home will be charged a share of such expenses using calculations based upon the assumption that a fixed number of homes are presently available to share such expenses. Lennar does not guarantee that the budgets will not increase in future years; however, Lennar does guarantee that until the next annual budget is established, it will not collect for assessments based upon amounts greater than the amounts shown in the budget or based upon a fewer number of homes.

The Neighborhood Association's budget for the first year of operation includes items for lawn and landscape maintenance provided such landscaping was included by Lennar and the lawn areas to be maintained are not screened for fenced in by the Owner. So long as Lennar is in control of the Association, Lennar intends to have the Neighborhood Association's budget cover these items for lawn maintenance and landscaping. However, future Neighborhood Association budgets may not contain a provision for these services. Additionally, the Neighborhood Association budget provides for public liability

insurance for the Neighborhood Common Areas. In addition, the Neighborhood Association shall include reserves for exterior painting every four (4) years. Such repainting does not relieve the Homeowner from their responsibility for normal exterior maintenance and repairs which may become necessary between repainting schedules.

The budget for the Neighborhood does not provide for any charges to particular homes for individual home real estate taxes or for electricity, telephone, water and sewer, or irrigation water, nor do they include any insurance premium requires for coverage of the home by any "Institutional Mortgage". It is assumed that these charges will be billed directly to each particular Owner who will be responsible individually for the payments.

Each Owner shall be responsible for maintaining all portions of the Homesite and the home thereon, including the floor slab and utility lines located upon the Homesite, except during such periods as the Neighborhood Association assumes lawn and landscaping maintenance obligations. In addition, each Owner shall be responsible for the cost of the utilities and insurance on the home for its full replacement value against loss by fire, flood or other hazards.

The Neighborhood Association expenses, the Community Association expenses, and the Club Charges are collected by the Community Association from all Owners of homes in the Neighborhood.

All assessments are payable monthly in advance. At the time of closing, the first month's assessment will be collected along with a one-time working capital contribution equal to three month's assessments for the Neighborhood Association and the Community Association. The working capital contributions are needed to give both Associations funds to cover start-up expenses, and other expenses of each association.

#### PROPERTY RESTRICTIONS

There are specific restrictions in the Declarations concerning the use of homes and the Common Areas. These include those restrictions required by Federal law in order to have an age restricted Community. These requirements are spelled out in detail in the Declarations and the Purchase Agreement. Additional restrictions deal with the occupancy, sale and lease of your home, pets and parking..

Until Lennar shall have completed development, promotion and sale of all homes to be located in the Community, Lennar shall have the right to use and occupy, without cost or charge, portions of the Neighborhood Common Areas and Community Common Areas for sales, rentals and promotional purposes. See the Declarations for additional property restrictions and rights for Lennar.

#### COMPLETENESS OF THIS STATEMENT

As stated previously, the purpose of this Statement of Disclosure is to set forth a summary of the Devonshire documents. However, this Statement described only in summary form the material terms and provisions of such documents. Since the terms and provisions of such documents will govern the development and operation of the Neighborhood and the Community, each prospective purchaser should refer to the actual documents for the complete and specific terms and provisions contained therein.

The aforesaid lien shall also include any sums advanced on behalf of a Homeowner in payment of his Community Association assessments or Club Charges. A pro rata share of such assessment, together with a pro rata share of interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the owner of such Home at the time when the assessment fell due. Subject to the provisions of this Declaration protecting first Mortgagees, the personal obligation for delinquent assessments shall pass to the successors-in-title of such Owner.

§2. Developer's Liability for Assessments. (ii) During said period the Developer shall not be obligated to pay the share of the Common Expenses and Assessments attributable to Homes it is offering for sale for which a Certificate of Occupancy has been issued, provided that the regular annual Assessments for Common Expenses imposed on each Home Owner other than the Developer shall not increase during such period more than 15% annually over the amount set opposite such Home's designation (model type) in the Estimated Operating Budget for the first twelve months of operation for the Association contained in the budget delivered to such Home Owner when such Owner contracted to purchase the Home, if applicable; and provided further that the Developer shall be obligated to pay any amount of Common Expenses actually incurred, excluding reserves and management fees, during such period and not produced by the Assessments at the guaranteed level receivable from Home Owners. Developer may, at its sole option, extend the Guarantee Expiration Date from time to time.

§3. Purpose of Assessments. The Assessments levied by the Association shall be used for the benefit of the Common Areas, to cut and edge the lawns on each Homesite, to maintain any other landscaping not part of the Common Areas deemed necessary by the association and to pay all costs incurred by the Association in the carrying out of its duties as set forth herein and in the Articles and By-Laws of the Association.

§4. Damage to Common Areas by Owners. The foregoing maintenance, repairs or replacements within the Common Areas arising out of or caused by the willful or negligent act of the Owner, his family, guests or invitees shall be done at the said Owner's expense or a Special Assessment therefor shall be made against his Home.

§5. Special Assessments for Capital Improvements and Major Repairs. In addition to any annual Assessments, the Association may levy in any assessment year a Special Assessment applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, unexpected repair or replacement of a capital improvement or such other addition upon the Common Areas, including the necessary fixtures and personal property related thereto, provided that any such assessment in excess of \$10,000.00 shall have the vote or written assent of a majority of the votes of the Owner-Members, excluding therefrom the votes of Developer.

§6. Rate of Assessment. The cost of maintaining the Common Areas is shared by the Owners of all Homes within the Neighborhood. Until Developer's Guarantee Expiration Date, each Home shall be responsible for its respective share of the total amount of assessments based on a fraction, the numerator of which shall be one (1) and the denominator of which shall be 95 based on the present estimate of the total number of Homes to be built in the Neighborhood. Subsequent to Developer's Guarantee Expiration Date and any extension thereof, if applicable, each Home shall be responsible for its respective share of the total amount of assessments, based on a fraction, the numerator of which shall be one (1) and the denominator of which shall be the total number of the type Home subject to Assessments.

§7. Assessments. The Association's Board of Directors shall, from time to time, but at least annually, fix and determine a budget representing the sum or sums necessary and adequate for the continued operation of the Association and shall send a copy of the budgets and any supplement to the budgets to each Member prior to assessing the Members thereon. The Board shall determine the total amount required, including the operational items such as insurance, repairs, replacements, reserves, maintenance and other operating expenses, as well as charges to cover any deficits from prior budgets subsequent to expiration of the guarantee period and capital improvements and reserves approved by the Board. Each Home shall commence paying its share of the Association assessments commencing on the date a certificate of occupancy is issued for the Home. Different types of Homes, such as, without limitation, single family attached Homes and single family detached Homes or different types of detached or attached Homes may pay different assessments if the services or volume of services supplied to each Home type differs, but all similar Home types will be assessed equally.

§8. Date of Commencement of Assessments: Due Date. The first annual Assessment for Common Expenses shall be adjusted according to the number of months remaining in the fiscal year as set forth in the By-Laws. The Board of Directors shall fix the amount of the annual Assessment against each Home subject to assessment at least thirty (30) days in advance of each Assessment period. Written notice of any change in the amount of the annual Assessment shall be sent to every Owner subject thereto, at least thirty (30) days prior to the effective date of such change. The due dates shall be established by the Board of Directors. Annual Assessments shall be collected monthly, quarterly, semi-annually or annually at the option of the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer or agent of the Association setting forth whether the assessments on a specified Home have been paid. A properly executed certificate of the Association as to the status of the assessments against a Home is binding upon the Association as of the date of its issuance.

If possible, at least thirty (30) days prior to the beginning of each fiscal year, the Board of Directors shall prepare and distribute to the Membership of the Association a written, itemized estimate (budget) of the expenses to be incurred by the Association during such year in performing its functions under this Declaration (which may include reasonable provision for contingencies and reserves, if any).

§9. Exempt Property. Assessments shall be assessed only against the Homes which are, from time to time, subject to assessment under the provisions hereof; all other property, whether owned by Developer or another, shall be exempt therefrom.

§10. Maintenance of Exterior of Owners Property. In the event an Owner of any Homesite in the Neighborhood shall fail to maintain the exterior of his Home or the Homesite, other than those portions of the Homesite to be maintained by the Association, in a manner satisfactory to the Association, the Association, after approval by two-thirds (2/3) vote of the Board of Directors, shall have the right, through its agents and employees to enter upon said Homesite and to repair, maintain and restore the Homesite and the exterior of the buildings and any other improvements erected thereon.

The cost of such exterior maintenance shall be assessed against the subject Homesite and such assessment shall be a charge on the land and shall be a continuing lien upon the Homesite. Non-payment of such assessment within thirty (30) days from the due date may result in foreclosure of the lien or an action at law against the owner(s) of the Homesite.

## ARTICLE VII

### ARCHITECTURAL CONTROL AND MAINTENANCE STANDARDS COMMITTEE

§1. Establishment of Committee and Acceptance by the Association. The Association, by virtue of its execution of this Declaration, acknowledges the necessity of maintaining the physical appearance and image of the Neighborhood as a quality residential Development and additionally, that the success of the Developer in developing and selling the remaining portions of the Kings Ridge Development is closely related to the physical appearance and image of this Neighborhood and other communities within the Development.

Accordingly, there is established a Committee known as the "Architectural Control and Maintenance Standards Committee" hereinafter referred to as "Committee". The Committee shall be empowered to adopt and promulgate from time to time minimum standards for architectural control and maintenance of the physical appearance of the Neighborhood.

The Community Declaration establishes for the entire Kings Ridge Development, an Architectural Control Committee ("ACC") which imposes architectural control over the entire Kings Ridge Development. Upon approval from the Committee, approval must also be obtained from the ACC.

§2. Members of Committee. The Committee shall consist of three (3) Members designated by the Developer. Each member of the Committee shall be appointed by the Developer and shall hold office until such time as he has resigned or has been removed and his successor has been appointed by Developer. The membership may include building and landscape architects, contractors, subcontractors and other persons that the Developer may deem sufficiently qualified to render an opinion as to architectural control and minimum standards of maintenance.

§3. Review of Proposed Construction. With respect to the Neighborhood Lands, no building, exterior wall or other exterior structure, or entry sign shall be commenced, erected or maintained, nor shall any exterior painted surfaces be repainted, nor shall any exterior addition or change or alteration be made to the exterior of any building, nor shall there be any material modification of the landscaping until the plans and specifications showing the nature, kind, shape, height, materials and location of the same shall have been submitted to and approved in writing, as to harmony of external design and color and location in relation to surrounding structures and topography, by the Committee. The Committee shall approve proposals or plans and specifications only if submitted for its approval by the Association and only if it deems that the construction, alterations or additions contemplated thereby in the locations indicated will not be detrimental to the appearance of the Neighborhood and the entire Kings Ridge Development, and that the appearance of any structure affected thereby will be in harmony with the surrounding structures. The Committee may condition its approval of proposals or plans and specifications on such changes therein as it deems appropriate, and may require submission of additional plans and specifications or other information prior to approving or disapproving material submitted. The Committee may also issue rules or guidelines setting forth procedures for the submissions of plans for approval. The Committee may require such detail in plans and specifications submitted for its

review as it deems proper, including, without limitations, floor plans, site plans, drainage plans, elevations drawings and descriptions or samples of exterior materials and colors. Until receipt by the Committee of any required plans and specifications, the Committee may postpone review of any plans submitted for approval. Notwithstanding any provision of this Article, approval of the Committee shall not be required with respect to constructions performed or caused to be performed by the Developer. In the event construction of the improvements proceeds without submitting plans to the Committee or plans are submitted to the Committee by the Association and construction proceeds without the approval of the Committee, the Committee shall have the right but not the duty to take such action as is set forth in Section 6 of this Article IX and any other remedies as may be prescribed by law.

§4. Maintenance and Repair Obligations. In the event that any improvements to the Neighborhood Lands fall into disrepair or are not maintained so as to create a dangerous, unsafe, unsightly or unattractive condition, or to otherwise violate this Declaration, the Committee has the right, but not the duty to take such action as is set forth in Section 6 of this Article VIII and any other remedies prescribed by law. The obligations to maintain shall include but not be limited to exterior paint on any building, landscaping, paving, trash removal, repair of exterior building surfaces and vending machine maintenance.

§5. Inspections. The Committee shall have the right to inspect from time to time the Neighborhood Lands in order to determine whether the maintenance of same meet the minimum standards and any improvements constructed thereon meet the architectural standards.

§6. Remedies in the Event of Non-Compliance. If the Committee shall find that any portion of the Neighborhood Lands are not being maintained in accordance with the minimum standards, or improvements to the Neighborhood Lands are not in compliance with the architectural standards of the Committee, the Committee shall issue a report to the Developer particularizing the deficiencies and the Developer shall thereafter submit the report to the Board of the Association. Within thirty (30) days of receipt of the report, the Association shall, if pertaining to Common Areas, commence with the repair, maintain, or restoration specified in the report and diligently pursue completion of same in an expeditious manner. The cost of all work on the Common Areas shall be the responsibility of the Association and shall be a Common Expense of the Association. If the deficiencies are in a particular Home, the Association shall notify the Owner of the deficiencies and the Owner shall commence with the repair, maintenance or restoration within 30 days of said notice and diligently pursue completion of same in an expeditious manner. The Association and each Home Owner in the Neighborhood does hereby authorize and vest in the Developer the following power should the Association or Home Owner, whichever is applicable, fails or refuses to commence and complete the maintenance work required by the report of the Committee.

- (a) The Developer may let out for bid the work required by the report of the Committee, negotiate and accept bids and authorize contractors or subcontractors to enter upon the Neighborhood Lands, and the recreational facilities for the purpose of performing the specified work in which case the Developer shall be acting as the agent for the Association or Home Owner, whichever is applicable and the entrance upon the Neighborhood Lands and recreational facilities of those performing the work shall be a lawful entry and shall not be deemed a trespass. Developer shall have the right to pay the contractors or subcontractors performing the work and the Developer is authorized in its own name to record a lien against the Association or Home Owner, among the Public Records of Lake County, Florida, in the amount of the costs of said work that the Developer has expended which lien shall be deemed a lien against the Common Areas or Homesite for which the work was performed, which lien shall remain in effect until such time as it is satisfied or record by the payment to the Developer of the monies expended by it together with interest at the rate of eighteen (18%) percent per annum from the date of the expenditure. The recordation of the lien is hereby deemed to constitute constructive notice to third parties of the existence of the lien and all sales, mortgages or other transfers or conveyances subsequent to the recording date shall be subject to the lien rights of the Developer. The Association and each Home Owner gives and grants unto Developer the power to foreclose its lien in the event that it remains unpaid and agrees that the procedures to be utilized in said foreclosure proceeding shall be those set forth in the Statutes of the State of Florida relating to the foreclosure of a

mechanic's lien and any and all defenses or rights to contest are hereby waived.

- (b) Alternatively, upon receiving the bids of contractors and subcontractors for the work required to be done by the report of the Committee, Developer may elect not to cause said work to be done, and notwithstanding that, to record the lien prescribed above in the amount of the bids of contractors and subcontractors for the work set forth in the Committee report. Upon payment of the lien to the Developer, the Developer shall then cause the work to be performed and to pay the contractors and subcontractors performing the work from the proceeds satisfying the lien. Upon payment of the contractors and subcontractors, Developer shall render to the Association or Home Owner, whichever is applicable, a report setting forth to whom and what amounts the funds were disbursed. The lien herein prescribed shall have the same priority upon recordation and shall be forecloseable in the same manner as that set forth in Section 6(a) of this Article VII.

The report of the Committee shall be conclusive as to the nature of the work required to be done and the bids accepted by Developer shall be conclusive as to price.

## ARTICLE VIII

### EFFECT OF NON-PAYMENT OF ASSESSMENTS (OR SPECIAL ASSESSMENTS): REMEDIES OF THE ASSOCIATION

§1. Effect of Non-Payment of Assessments (or Special Assessments): Remedies of the Association. Any installment of an Assessment or Special Assessment not paid within fifteen (15) days after the due date shall bear interest from the due date of such installment at the rate of eighteen (18%) percent per annum. If any installment of an Assessment or Special Assessment is not paid within thirty (30) days after it is due, the Owner responsible therefor may be required further by the Board of Directors to pay a late charge of Twenty-Five (\$25.00) Dollars. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Home. No Owner may waive or otherwise escape liability for the Assessments or Special Assessments provided for herein by non-use of the Common Areas or abandonment of his Home. If any installment of an Assessment or Special Assessment is not paid within thirty (30) days after its due date, the Board may mail an acceleration notice to the Owner and to each first Mortgagee of a Home which has requested a copy of the notice. The notice shall specify (i) the fact that the installment is delinquent; (ii) the action required to cure the default including the amount that can be paid by the Owner to prevent a lien being filed on that Owner's Home; (iii) a date not less than thirty (30) days from the date the notice is mailed to the Owner, by which such default must be cured; and (iv) that failure to cure the default on or before the date specified in the notice may result in acceleration of the balance of the installments of the Assessment or Special Assessment for the then current fiscal year and sale of the Home pursuant to foreclosure of the lien securing the unpaid Assessment or Special Assessment. The notice shall further inform the Owner of his right to cure after acceleration and to bring a court action to assert the non-existence of a default or any other defense of the owner to acceleration and sale.

If the delinquent installments of Assessments or Special Assessments and any charges thereon are not paid in full on or before the date specified in the notice, the Board, at its option, may declare all of the unpaid balance of the annual Assessment or Special Assessment to be immediately due and payable without further demand and may enforce the collection of the full Assessment or Special Assessment and all charges thereon in any manner authorized by law and this Declaration.

§2. Notice of Claim of Lien. No action shall be brought to enforce any Assessment or Special Assessment lien herein, unless at least thirty (30) days has expired following the date a Notice of Claim of Lien is deposited in the United States mail, a copy thereof has been recorded by the Association in the office of the Clerk of Circuit Court of Lake County, Florida; said Notice of Claim of Lien must recite a good and sufficient legal description of any such Home, the record owner or reputed Owner thereof, the amount claimed (which may at the Association's option include interest on the unpaid Assessment or Special Assessment at eighteen (18%) percent, plus reasonable attorneys' fees and expenses of collection in connection with the debt secured by said lien), and the name and

address of the Claimant. Such Notice of Claim of Lien shall be signed and acknowledged by an officer of the Association.

§3. Foreclosure Sale. The Assessment or Special Assessment lien set forth herein may be foreclosed in the same manner as mortgages are foreclosed under Florida law. The Association, through duly authorized agents, shall have the power to bid on the Home at foreclosure sale, and to acquire and hold, lease, mortgage and convey same.

§4. Curing of Default. Upon the timely curing of any default for which a Notice of Claim of Lien was filed by the Association, the officers thereof shall record an appropriate Release of Lien, upon payment by the defaulting owner of a fee, to be determined by the Association, but not to exceed One Hundred Fifty (\$150.00) Dollars, to cover the cost of preparing and recording such release. A certificate executed and acknowledged by any two (2) Members of the Board or by the Management Company stating the indebtedness secured by the liens upon any Home created hereunder shall be conclusive upon the Association and the Owners as to the amount of such indebtedness as of the date of the certificate, in favor of all persons who rely thereon in good faith. Such certificate shall be furnished to any Owner upon request at a reasonable fee, not to exceed Fifty (\$50.00) Dollars.

§5. Cumulative Remedies. The Assessment or Special Assessment liens and the rights to foreclose and sale thereunder, shall be in addition to and not in substitution for all other rights and remedies which the Association and its assigns may have hereunder and by law, including a suit to recover a money judgment for unpaid Assessments or Special Assessments, as above provided.

§6. Subordination of the Lien to Mortgages. The lien of the Assessments or Special Assessments provided for herein shall be subordinate to the lien of any first Mortgage (meaning any recorded Mortgage with first priority or seniority over other mortgages) made in good faith and for value and recorded prior to the date on which the Notice of Claim is recorded. Sale or transfer of any Home shall not affect the Assessment or Special Assessment lien. However, the sale or transfer of any Home pursuant to the mortgage foreclosure or deed in lieu thereof, shall extinguish the lien of such Assessments or Special Assessments as to installments which become due prior to such sale or transfer. No sale or transfer shall relieve such Home from liability for any Assessments or Special Assessments thereafter becoming due or from the lien thereof. Liens for Assessments or Special Assessments under this Article shall be inferior to the liens for Club Charges charged by the Club and liens for assessments charged by the Community Association.

## ARTICLE IX

### MAINTENANCE AND REPAIR OBLIGATIONS

The Association shall maintain, or provide for the maintenance of all of the Common Areas (including, without limitation, paving, lighting and landscaping) and, at its option, may maintain or provide for the maintenance of other property as elsewhere provided for herein.

## ARTICLE X

### COMMUNITY DECLARATION

The Declaration shall be subject to and subordinate to the Community Declaration and the terms and conditions thereof, including, without limitation Article IX thereof which specifically applies to this Declaration and Association.

## ARTICLE XI

### INSURANCE

§1. Common Areas. The Board of Directors shall maintain public liability insurance, to the extent obtainable, covering each Association Member, lessee and occupant, and the managing agent, if any, against liability for any negligent act of commission or omission attributable to them which occurs on or in the Common Areas. To the extent obtainable, the Board of Directors shall also be required to obtain the following insurance: (a) fire insurance with extended coverage, water damage, vandalism and malicious mischief endorsements, insuring the facilities on the Common

Properties, in an amount equal to their full replacement values, and (b) worker's compensation insurance. In addition, the Board shall have the right to obtain Directors' and Officers' liability insurance, fidelity insurance and other insurance it may deem proper to protect the Association, its members and property. All insurance premiums for such coverage shall be paid for by the Association and assessed as appropriate to all Owners.

## §2. Homes.

(a) Each Owner shall be required to obtain and maintain adequate insurance of his Home, which shall insure the property for its full replacement value, with no deductions for depreciation, against loss by fire, flood, if in a flood zone, or other hazards. Such insurance shall be sufficient to cover the full replacement value, or for necessary repair or reconstruction work. Such insurance shall be written in a manner acceptable to the Board of Directors of the Association, and shall contain a clause which provides ten (10) days prior written notice to the Board of Directors of the Association before the policy can be cancelled. Each Owner shall be required to supply the Board of Directors with evidence of insurance coverage on his Home which complies with the provisions of this Section.

If the insurance provided under this Section has not otherwise been adequately obtained by each Owner, as determined by the Board of Directors, then the Board shall obtain such insurance coverage. Insurance obtained by the Board of Directors shall be written in the name of the Association as Trustee for the benefit of the applicable Home Owner.

Premiums for insurance obtained by the Board of Directors, as provided hereinabove, shall not be a part of the common assessment or expense, but shall be an individual assessment (special assessment) payable in accordance with the provisions of Article VI of this Declaration.

Each Owner shall be required to reconstruct or repair any Home, destroyed by fire or other casualty, covered by insurance written in the name of the Association as Trustee. The insurance proceeds shall be deposited in a bank or other financial institution, subject to withdrawal only by the signature(s) of an agent(s) duly authorized by the Board of Directors. If no repair or rebuilding has been contracted for, or otherwise substantially started by the Owner within thirty (30) days of the receipt of the insurance proceeds, the Board of Directors shall itself initiate the repair or rebuilding of the damaged or destroyed portions of the structure and/or exterior of the Home, in a good and workmanlike manner in conformance with the original plans and specifications. The Board of Directors may advertise for sealed bids from any licensed contractors and may then negotiate with said contractors. The contractor or contractors selected to perform the work shall provide full performance and payment bonds for such repair or rebuilding, unless such requirement is waived by the Board of Directors. In the event the insurance proceeds are insufficient to fully pay the costs of repairing and/or rebuilding the damaged or destroyed portions in a good and workmanlike manner, the Board of Directors shall levy a special assessment against the Owner in whatever amount sufficient to make up the deficiency. If the insurance proceeds exceed the cost of repairing and/or rebuilding, such excess shall be paid over to the respective Owner and/or the Owner's mortgagee in such portions as shall be independently determined by those parties.

In the event of damage or destruction by fire or other casualty to any Home covered by adequate insurance written in the name of the individual Owner thereof, then such Owner shall, with the concurrence of the Owner's mortgagee, if any, within thirty (30) days of the receipt of the insurance proceeds, contract for or otherwise substantially start the repair or rebuilding of the damaged or destroyed portions of the structure and/or exterior of the Home in a good and workmanlike manner in conformance with the original plans and specifications. If such Owner refuses or fails, for any reason, to so repair or rebuild as provided, then the Association by and through its Board of Directors is hereby irrevocably authorized by such Owner to repair and rebuild such damaged or destroyed portions of the Home in a good and workmanlike manner in conformance with the original plans and specifications thereof. The Board of Directors shall levy a special assessment against the Owner in whatever amount sufficient to adequately pay for such repair or rebuilding of this type.

(b) Should the Association obtain the insurance coverage on a Home pursuant to Section 2 of this Article XI, then the Association may charge and the applicable Owner

shall be responsible for, as a special assessment against the Homesites, an administration fee of \$100.00.

(c) Notwithstanding anything to the contrary in Section 2 of this Article XI, the Association, its Directors or Officers, shall not be liable to any person should it fail for any reason whatsoever to obtain insurance coverage on Home.

## ARTICLE XII

### MORTGAGEE PROTECTION

The following provisions are added hereto (and to the extent these added provisions conflict with any other provisions of the Declaration, these added provisions shall control):

- (a) Each first mortgagee of a Mortgage encumbering any Home, at its written request, is entitled to written notification from the Association of any default by the Mortgagor of such Home in the performance of such Mortgagor's obligations under this Declaration, the Articles of Incorporation of the Association or the By-Laws of the Association, which default is not cured within thirty (30) days after the Association learns of such default.
- (b) Each first mortgagee of a Mortgage encumbering any Home which obtains title to such Home pursuant to the remedies provided in such Mortgage or by foreclosure of such Mortgage, shall take title to such Home free and clear of any claims of unpaid assessments or charges against such Home which accrued prior to the acquisition of title to such Home by the Mortgagee.
- (c) First Mortgagees shall have the right to examine the books and records of the Association during normal business hours.

## ARTICLE XIII

### PARTY WALLS AND PARTY FENCES

§1. Each fence which is built as a part of the original construction of the Homes and placed on the dividing line between two Homesites shall constitute a party fence. To the extent not inconsistent with the provision of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply to the party walls and party fences.

§2. The cost of reasonable repair and maintenance of a party wall and/or party fence shall be shared by the Owners who make use of the wall or fence in proportion to such use.

§3. If a party wall and/or party fence is destroyed or damaged by fire or other casualty, any Owner who has used the wall and/or fence may restore it, and if the other Owners thereafter make use of the wall and/or fence, they shall contribute to the cost of restoration thereof in proportion to such use without prejudice, however, to the right of any such Owners to call for a large contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

§4. Notwithstanding any provision of this Article, an Owner who, by his negligent or willful act causes a party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

§5. The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner's successors in title.

§6. In the event of any dispute arising concerning a party wall and/or party fence under the provisions of this Article, each party shall choose an arbitrator, and such arbitrator shall choose one additional arbitrator, and the decision shall be by a majority of all the arbitrators.

## ARTICLE XIV

No commercial breeding of pets is permitted within the Community. The Association may require any pet to be immediately and permanently removed from the Community due to a violation of this Use Restriction.

§8. AIR CONDITIONING UNITS. Only central air conditioning units are permitted, and no window, wall, or portable air conditioning units are permitted.

§9. CLOTHESLINES AND OUTSIDE CLOTHESLINE DRYING. any Homesite used for outdoor clothes drying purposes and the types of devices to be employed in this regard, which approval must be in writing.

§10. NUISANCES. §14. WELLS AND SEPTIC TANKS. No individual wells will be permitted on any Homesite within this Neighborhood, and no individual septic tanks will be permitted on any Homesite within this Neighborhood. This restriction will be enforceable as long as the water services and sewage disposal are in operation, satisfactorily servicing each Homesite on which a completed building is located in said Neighborhood in accordance with the standard requirements as provided for by the State Board of Health Regulations and the charge for said services, as set forth in the rate schedule in the third Party Beneficiary Agreement placed of record, covering said utilities, is not in excess of the amounts provided for therein or as modified and changed in accordance with legal procedure in the future.

§15. OIL AND MINING OPERATIONS. No oil drilling, oil development operations, oil refining, quarrying or mining operations of any kind shall be permitted upon or in any Homesite, nor shall oil wells, tanks, tunnels, mineral excavations or shafts be permitted upon or in any Homesite. §18. REMOVAL OF SOD AND SHRUBBERY; ADDITIONAL PLANTING. No sod, topsoil, trees or shrubbery shall be removed from the Neighborhood, no change in the elevation of such areas shall be made and no change in the condition of the soil or the level of the land of such areas shall be made which results in any permanent change in the flow and drainage of surface water which the Board, in its sole discretion, considers detrimental; provided, however, that Owners may place additional plants, shrubs or trees upon their respective Homesites subject to approval by the Board or its appointed Committee.

§19. INCREASES IN INSURANCE RATES. No Owner may take any action which will result in an increase in the rate of any insurance policy or policies covering any portion of the Neighborhood.

§20. CASUALTIES. In the event that a Home or any part thereof is destroyed by casualty or otherwise, or in the event any improvements upon the Common Area are damaged or destroyed by casualty or otherwise, the Owner thereof or the Association, as the case may be, shall promptly clear all debris resulting therefrom and (subject to the duties and obligations of the Association) commence either to rebuild or repair the damaged improvements in accordance with the terms and provisions of this Declaration.

Copies of such rules and regulations and amendments shall be furnished by the Association to an Owner upon request.

§23. WAIVER. The Association shall have the right to waive the application of one or more of these restrictions, or to permit a deviation from these restrictions, as to any Homesite where, in the discretion of the Board, circumstances exist which justify such waiver or deviation. In the event of any such waiver or permitted deviation, or in the event any party fails to enforce any violation of these restrictions, such actions or inactions shall not be deemed to prohibit or restrict the right of the Association, or any other person having the right to enforce these restrictions, from insisting upon strict compliance with respect to all other Homesites, nor shall any such actions be deemed a waiver of any of the restrictions contained herein as same may be applied in the future. Notwithstanding the foregoing, so long as Developer owns any Homesite, if any waiver or deviation of any restriction requires the consent of the Association, such consent shall be obtained from Developer and not from the Association, unless Developer voluntarily relinquishes this right at an earlier date.

§24. EXCEPTIONS. The foregoing use and maintenance restrictions shall not apply to Developer, or to any portion of the Neighborhood while owned by Developer, and shall not be applied in a manner which would prohibit or restrict the development of any portion of the Neighborhood and the construction of any Homes and other improvements thereon, or any activity associated with the sale of any new Homes by Developer. Specifically, and without limitation, Developer shall have the right to: (i) construct any buildings or improvements within the Neighborhood, and make any additions, alterations, improvements, or changes thereto; (ii) maintain customary and usual sales, general office and construction operations on the Neighborhood; (iii) place, erect or construct portable, temporary or accessory buildings or structures upon the Neighborhood Lands for sales, construction, storage or other purposes; (iv) temporarily deposit, dump, accumulate materials, trash, refuse and rubbish in connection with the development or construction of the Neighborhood; and (v) post, display, inscribe or affix to the exterior of a Home or upon the Neighborhood, signs and other materials used in developing, constructing, selling or promoting the Neighborhood.

§25. LEASES. No portion of a Home (other than an entire Home) may be rented. All leases shall be on forms approved by the Association and shall provide that the Association shall have the right to terminate the lease upon default by the tenant in observing any of the provisions of this Declaration, the Articles and By-Laws of the Association, applicable rules and regulations or other applicable provisions of any agreement, document or instrument governing the Neighborhood or administered by the Association. Leasing of Homes shall also be subject to the prior written approval of the Association and the Association may reject the leasing of any Home on any grounds the Association elects. No lease shall be approved for a term of less than ninety days. Only two (2) leases shall be permitted within a 365 day period, which 365 day period shall be deemed to commence on the date of the lease. This Section 17.8 shall remain in force and effect for a period of five (5) years from the date Home Owners other than Developer elect a majority of the Board of Directors of the Association. Thereafter, this Section shall remain in effect until Home Owners owning not less than eighty (80%) percent of the voting interests represented at any meeting at which a quorum has been attained vote to change this Section in whole or in part. As a condition to the approval by the Association of a proposed lease of a Home, the Association, has the authority to require a security deposit in an amount not to exceed the equivalent of one month's rent be deposited into an escrow account maintained by the Association. The security deposit shall protect against damages to the Common Areas or Association Property. Within 15 days after a tenant vacates the Home the Association shall refund the full security deposit or give written notice to the tenant of any claim made against the security. Disputes under this Section 25 shall be handled in the same fashion as disputes concerning

security deposits under Florida Statutes, Section 83.49. The Home Owner will be jointly and severally liable with the tenant to the Association for any amount in excess of such sum which is required by the Association to effect such repairs or to pay any claim for injury or damage to property caused by the negligence of the tenant. All leases shall also comply with and be subject to the provisions of Section 26 hereof.

§26. OCCUPANCY. Each Home shall be used as a residence only, except as otherwise herein expressly provided. A Home owned by an individual, corporation, partnership, trust or other fiduciary may only be occupied by the following persons, and such persons' families and guests: (i) the individual Home Owner, (ii) an officer, director, stockholder or employee of such corporation, (iii) a partner or employee of such partnership, (iv) the fiduciary or beneficiary of such fiduciary, or (v) permitted occupants under an approved lease or sublease of the Home (as described below), as the case may be.

Occupants of an approved lease or subleased Home must be the following persons, and such persons' families and guests: (i) an individual lessee or sublessee, (ii) an officer, director, stockholder or employee of a corporate lessee or sublessee, or (iv) a fiduciary or beneficiary of a fiduciary lessee or sublessee.

Under no circumstances may more than one family reside in a Home at one time. "Families" or words of similar import used herein shall be deemed to include spouses, parents, parents-in-law, brothers and sisters. In no event shall occupancy (except for temporary occupancy by visiting guests) exceed two (2) persons per bedroom with a maximum of 4 persons per Home. The Board of Directors shall have the power to authorize occupancy of a Home by persons in addition to those set forth above. The provisions of this Section 27 shall not be applicable to Homes used by the Developer for model apartments, sales offices, other offices or management services.

§27. AGE OF RESIDENTS; SERVICES AND FACILITIES. Subject to all local ordinances, as they may be amended from time to time, at least one person over the age of fifty-five (55) years of age must be a permanent occupant of each Home, whenever any person occupies said Home. Persons under the age of fifty-five (55) years and more than eighteen (18) years of age may occupy and reside in a Home as long as at least one of the occupants is over the age of fifty-five (55) years. No person under the age of eighteen (18) may be a permanent occupant of any Home, except that persons under the age of eighteen (18) may be permitted to visit and temporarily reside for periods not to exceed thirty (30) days in total in any calendar year. Notwithstanding the above, if a Home is transferred by inheritance, the requirement as to one occupant of said Home being over the age of fifty-five (55) years is waived as to occupancy by the heirs so long as no permanent occupant is under the age of eighteen (18) years and further so long as at least eighty (80%) percent of all of the Homes in the Development are occupied by one person over the age of fifty-five (55) years. It shall be the responsibility of the Board of Directors of the Community Association to determine whether eighty (80%) percent of the Homes in the Development are occupied by at least one person who is over the age of fifty-five (55) years. Subject to the terms of this Declaration, the Articles of Incorporation and By-Laws of the Association the Board shall have the authority to make any additional capital improvements upon the common areas necessary to provide facilities or services specifically designed to meet the requirements of the Fair Housing Amendments Act of 1988.

Children shall be the direct responsibility of their parents or legal guardians, including full supervision of them while within the Neighborhood and including full compliance by them of these restrictions and all rules and regulations of the Association. All children under eighteen (18) years of age must be accompanied by a responsible adult when entering and/or utilizing the Recreation Area or any other commonly used facilities.

- (e) A breach of the covenants, conditions and restrictions contained in this Declaration or in the By-Laws shall not affect or impair the lien or charge of any Mortgage made in good faith and for value on any Home, provided, however, that any subsequent Owner of such Home shall be bound by said covenants, whether such Owner's title was acquired by foreclosure sale or otherwise.

§2. Severability. Invalidation of any one of these covenants or restrictions by judgment or Court order shall in no way affect any other provisions which shall remain in full force and effect.

§3. Term. The covenants and restrictions of this Declaration shall run with and bind the Neighborhood Lands covered thereby, and shall inure to the benefit of and be enforceable by the Association, the Developer or the Owner of any Home subject to this Declaration, their respective legal representatives, successors, heirs and assigns, for a term of forty (40) years from the date this Declaration is recorded, after which time said covenants, conditions, reservation of easements, equitable servitudes and restrictions shall be automatically extended for successive periods of ten (10) years, unless an instrument, approved by the then Owners of a majority of the Homes, has been recorded, agreeing to change said covenants and restrictions in whole or in part.

§6. No Public Right or Dedication. Nothing contained in this Declaration shall be deemed to be a gift or dedication of all or any part of the Common Areas to the public, or for any use. However, the Association shall have the right to dedicate or transfer all or any part of the Common Areas to any municipality, public agency or authority for such purposes and subject to such conditions as may be agreed upon by the Members. No such dedication or transfer shall be effective unless an instrument in writing executed by not less than Members owning two-thirds (2/3) of the Members subject to assessment and by the Developer (provided that at said time the Developer still owns any portion of the Neighborhood Lands).

§7. Constructive Notice and Acceptance. Every person who owns, occupies or acquires any right, title, estate or interest in or to any Home or other portion of the real property in the Neighborhood does and shall be conclusively deemed to have consented and agreed to every limitation, restriction, easement, reservation, condition and covenant contained herein, whether or not any reference to these restrictions is contained in the instrument by which said person acquired an interest in such property.

§8. Additions to Common Areas. Until the Developer shall have completed development, promotion and sale of all Homes to be located in the Neighborhood, Developer (or anyone claiming by, through or under Developer) shall have the right in its sole discretion to add additional facilities or improvements to the Common Areas. Developer shall be the sole judge as to the size, contents, designs, style, plans and specifications on all of such additional facilities or improvements and the equipment and personalty contained therein; and Developer shall also have the right, in its sole discretion, to add additional lands and improvements and shall, upon designation by Developer, be deemed part of the Common Areas and subject to all of the terms and provisions of this Developer and, except as otherwise set forth herein, the Members shall be obligated to pay their proportionate share of all taxes, assessments, insurance, utilities, maintenance, management, and other expenses of operation of such additions as if they were a portion of the original Common Areas. In the event Developer decides to construct such additional improvements, Developer shall also have the right to record such instruments in the Public Records of Lake County, Florida, as are necessary for the construction, provided that title is delivered in accordance with the provisions of this Declaration.
