

## Plant Beds 4.7

4.7 Plant beds, shrubs, hedges in front of residence.

- A) All plantings must be Florida friendly and require reduced water requirements.
- B) Trimming of all plantings is required to control height to a maximum of 51 inches (includes foliage in front of garage and entryways).
- C) Exempt from the 51 inch requirement are the following:
  1. Palm Trees (assorted varieties).
  2. Spruce/decorative side door trees (2).
  3. Crape Myrtle Trees.
  4. Hedges (front windows) required to be trimmed to approximate height to bottom of the windows.
