

DEVONSHIRE NEIGHBORHOOD RESIDENTIAL INFORMATION UPDATE

Hurricane season is almost here and the Devonshire Board of Directors request each of our residents update their contact information. Many of you remember the storm of 2017 and the damage done in Kings Ridge and especially Devonshire. We found some of our residents' information was out dated and we had trouble contacting them with a damage report.

Please take a moment and update your information. Make sure you fill in your Devonshire address.
