

## Devonshire Decorator

### Sandy Swingle

I have been remiss in acknowledging the work and efforts of Sandy Swingle as our Lead Devonshire Seasonal Decorator. I apologize for not acknowledging her work in helping make Devonshire the great neighborhood that it is!

I have been informed that Sandy has been responsible for leading the efforts to make our neighborhood entrance monuments special for the various holidays. Not only has Sandy been responsible for setting these decorations up and taking them down, she has, on a number of occasions, spent her own money for decorations and has been storing all of them in her home.

Please join me in thanking especially Sandy and her crew for all of this great work.

THANK YOU SANDY!!!
