

We are CHAMPION Recyclers!

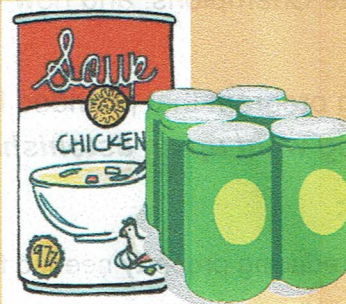

Bottles

Glass: Remove lids and neck rings, rinse and place in the container. Recycle all glass food and beverage containers (clear, green and brown).

Plastics: Remove lids, rinse and crush to save space. Recycle beverage, milk, juice, water and other household plastic bottles having a neck labeled #1 through #7.

Cans

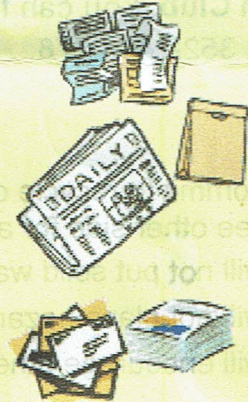

Cans: aluminum or steel food cans.

Rinse and crush, if possible.

Let's stick with the program!

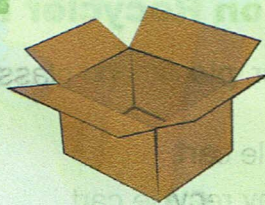

Paper

Paper: telephone books, newspapers, glossy magazines, and all white or colored paper.

Remove them from plastic bags.

Cardboard

Corrugated cardboard including boxes (pizza, shoe, cereal, moving, etc.)

All cardboard must be flattened or cut to fit into the recycling container.

DO NOT PACK OR FORCE INTO THE CONTAINER.

Household Batteries

Household Batteries: Place in a zip-lock bag and place on top of the container lid. Include all household batteries. **DO NOT include lead-acid batteries such as automotive/marine. Return these to dealers.**

NO light bulbs, plate glass, drinking glass, ovenware, crystal, clay or ceramics. No automotive containers, No lead-acid batteries, such as automotive or marine. Return these to dealers. Do not include plastic wrap, bags, or other plastic items.
