Thankfulness Transforms Us

Grace and peace to you. I'm Pastor Jason and I'm beyond excited to be serving at Bushnell Methodist Church. A little bit about me. I was raised and confirmed at Langhorne United Methodist Church as my faith was formed early. After more than two decades as a professional chef, I bring a love of hospitality, servant leadership, and the habit of gathering people around the table to this ministry. I am a devoted husband and father, currently studying at Wesley Biblical Seminary, pursuing deacon ordination with the Global Methodist Church, and working toward a ministry degree from Palm Beach Atlantic University. I believe we are "forever the student," and I look forward to walking alongside this congregation spreading the love and teachings of Jesus Christ to its community and beyond!

As I celebrate arriving at Bushnell Methodist with a deep gratitude and great thankfulness. I'd like to reflect on Luke 17:11–19, ten lepers were healed but only one returned to thank Jesus and Jesus told him, "Your faith has made you well." True gratitude and thankfulness transform us. We stand on the solid ground of Scripture and Wesleyan tradition that our response to God's gifts must be to turn back, give thanks and live in that reciprocal circle of faith.

When we pause long enough to count the ways God has been faithful in our past, something happens in our spirit. The fog of anxiety begins to lift. We remember that the God who carried us through the last hard season is the same God walking beside us in this one. Thankfulness is not denial of difficulty. It is the deliberate choice to look at the evidence of God's goodness and let it anchor our hearts. I close with a quote from John Wesley and my continued prayer that God continues to bless Bushnell Methodist Church and all that it touches.

Pastor Jason

"Thanksgiving is inseparable from true prayer; it is almost essentially connected with it. One who always prays is ever giving praise, whether in ease or pain, both for prosperity and for the greatest adversity. He blesses God for all things, looks on them as coming from Him, and receives them for His sake, not choosing nor refusing, liking or disliking, anything, but only as it is agreeable or disagreeable to His perfect will." John Wesley
