Followup questions for youth to talk about with their families after watching the video from Miss Kate about Patience. Based on Focus on the Family's "Practicing Patience" article.

Read **Psalm 40:1** and **Ephesians 4:2**.

Questions to discuss with your family:

- What situations make you feel impatient toward family or friends?

- What situation do you think would cause others to be impatient with you?

- Who is patient with you? How do you feel when that person acts patiently toward you?

Read **1 Thessalonians 5: 12-18**.

- What makes it easy or difficult to live out this advice?

- What are a few ways we can encourage patience toward each other this week?
