## BLUETOOTH SOLUTIONS

**SINCE 1998**, Sena has recognized that Bluetooth-based solutions benefit both consumers and businesses at large. With over 18 years of industrial Bluetooth expertise, Sena has also become the global leader in Bluetooth communication consumer goods in the power sports and action sports industries. Sena has provided a complete line of motorcycle and power sports communication and camera solutions since the release of the SMH10 motorcycle Bluetooth headset and intercom in 2010.

At Sena Technologies, we are people with a passion for the adventures that await us—whether it be an easy Sunday afternoon ride or epic journeys of weeks, months, or years! And we're always on the lookout for people who feel the same way. We pride ourselves on our ability to use technology and engineering to create products that are vastly superior in form and function, and that add something to the adventure experience.

### 50S MESH 2.0 INTERCOM

#### 50S - ROBUST RELIABILITY

Mesh 2.0 features a robust connection, enhancing communication. 6 people can speak at the same time while a limitless number of participants listen in. Communication response time has been improved by 25% from the previous iteration. Mesh 2.0 also introduces brand new ways to connect with other riders on the road. With Multi-Channel Open Mesh Intercom, you have 9 channels available, an industry first!

- ✓ Mesh 2.0
- ✓ Bluetooth 5 enabled
- ✓ Updated & redesigned speakers
- ✓ Multi-language voice command support
- ✓ Digital assistant access
- ✓ A tried-and-true jog dial design

### 50R MESH 2.0 INTERCOM

#### 50R - MESH 2.0 IN A SLEEK DESIGN

Designed for those who want a sleeker device, the 50R Mesh Intercom™ headset continues Sena's affinity for advancing adventure and keeping people connected on the road.

- ✓ Mesh 2.0 & Bluetooth 5 enabled
- ✓ Updated and redesigned speakers
- ✓ Support of multi-language voice commands
- ✓ Digital assistant access
- ✓ Fast charging time reduced by 30%
- ✓ A simplified layout with three-button functionality

## MESH 2.0 It's time for an all-new experience of riding connected

#### DIGITAL ASSISTANT CONNECTION AND APP

"Hey Siri, directions to the nearest hotel." The 50R connects to Google Assistant and Siri, letting you access your phone's digital assistant directly with voice commands. Multi-language support lets you speak in your preferred language. No matter which of those languages you speak, the 50R has you covered.

#### A BRAND-NEW SMARTPHONE APP TO COMPLEMENT THE LATEST CHANGE

A brand-new device with the latest updates in technology spurred us into developing a brand-new app to go along for the ride. The modernized SENNA 50 Utility App sports a fresh look and packs various features that make riding and connecting with others an easy matter.

### 30K COMM SYSTEM WITH MESH INTERCOM

Sena Mesh Intercom™ technology is now here and ready to change your ride. Simply press the button on top of the 30K to turn on public mode, and you will be automatically and instantaneously connected to a virtually limitless amount of 30K users within a mile range. When one of a group's riders goes out of range, the rest of the group remains seamlessly connected while the 30K still intelligently searches for the lost connection and reconnects automatically once back in range. No longer will you have to worry about losing half of your group due to a Bluetooth chain linked connection of the past. With private mode you can invite and communicate with up to 16 riders at a range of up to 2.0 km (1.2 miles), while an endless amount of Guests can join to listen in as well.

- ✓ Bluetooth 4.1
- ✓ Mesh intercom™
- ✓ Audio multitasking
- ✓ Voice command
- ✓ Intercom 2km/1.2miles
- ✓ Multi-way intercom
- ✓ Group intercom
- ✓ Smart Audio Mix
- ✓ Advanced Noise Control™

HALCYON GOGGLES

Halcyon Aviator and Motorcycle Goggles are made in England to the highest quality. The frames are manufactured in brass to prevent corrosion, have louvres to prevent misting and are hand stitched to the face mask. The lenses are available in polycarbonate or laminated glass and are easily replaceable. Nose bridge adjustment is provided with a screw or sliding nose bridge for the ideal fit. A quality elasticated headband with snap-on clips is fitted with all models.
