As a detail-oriented Video Editor with a strong foundation in post-production and story telling, I manage media from ingest to final delivery and craft compelling visual stories and written narratives in fast-paced, collaborative environments. I'm proficient in Premiere Pro, After Effects, and media transcoding, with a sharp eye for syncing, logging, and preparing cuts for color and final output.

Skills

- Adobe After Effects
- Adobe Premiere Pro
- Avid Media Composer

Education

BACHELOR OF SCIENCE - COMMUNICATIONS - MEDIA PRODUCTION
Champlain College, Burlington, Vermont | 2023

Work

AI DATA ANNOTATOR

Meta via TekSystems | November 2023-Present

- Annotated and validated large volumes of multimodal data (images, video, and text) to train AI models, collaborating with engineers and data scientists to ensure high-quality, accurate annotations, refine guidelines, and improve tools and workflows.

VIDEO EDITOR, VIDEO PRODUCTION AND CONTENT CREATOR

Freelance | October 2019-Present

- Create compelling videos and creative media in Editorial, Product, Marketing, Lifestyle, Documentary, 48 Hour Film Festival, Podcasting, YouTube, Legal Videography, Interviewing, Published Writer, Social Media Storytelling and AI Contributor.

ASSOCIATE VIDEO EDITOR

CoStar Group, Homes.com | October 2023-October 2024

- Oversaw media ingest, syncing, and logging to optimize and streamline post-production workflows, ensuring efficient and organized project management.
- Edited high-quality promotional and social media content, adhering to brand guidelines and maintaining technical precision to deliver compelling visual narratives.

VIDEOGRAPHER AND VIDEO EDITOR

Heritage Winooski Museum | September 2022-May 2023

- Directed, filmed, produced and edited compelling videos that highlighted the diverse immigrant stories of Vermont, contributing to museum programs and fostering cultural awareness within the community.
- Leveraged marketing and social media expertise to amplify museum initiatives, increasing visibility and driving community engagement.

VIDEO PRODUCTION, VIDEO EDITOR AND FILMMAKER

Champlain College Dublin, Ireland | January 2022-May 2022

- Produced four high-quality videos, overseeing the entire process from pre-production to final editing and published on website and social media.
- Coordinated logistics and managed on-site production, creating comprehensive checklists and ensuring all necessary equipment was prepared, facilitating smooth and efficient shoots.
