

## **BRITISH CONCRETE** TRANSPORT ASSOCIATION

### **British Concrete Transport Association: Here to Help**

Understanding the issues that affect the industry, especially around concrete delivery, concrete transport and the daily challenges that drivers and operators continue to face.

The BCTA is committed to leading the industry forward by undertaking specific projects that benefit the industry as a whole.

Our members have the unique opportunity to be directly involved and influence outcomes. As the industry's specialists, the BCTA plays a pivotal role in reviewing and shaping standards and guidance for the Ready-Mix Concrete industry.

## BRITISH CONCRETE TRANSPORT ASSOCIATION

### British Concrete Transport Association: Here to Help

At the BCTA we understand that costs are important and as non-profit organisation, we've kept membership prices to a minimum.

#### Membership Pricing (12 Months)

- 1 Vehicle: £50
- 2 Vehicles: £1000
- 3 Vehicles: £150
- 4 Vehicles: £200
- 5 Vehicles: £250
- 5+ Vehicles: £250 + £30 per additional /vehicle driver
- Mixer Manufacturers: £700
- Associate Members: £400

### ➔ Why Join?

The BCTA is the UK's only organisation dedicated to the concrete supply chain.

We are a not-for-profit organisation comprising industry experts from the concrete supply chain and associated sectors.

We work closely with our strategic partners to improve standards and compliance across the concrete industry.
