

Dear Parent/Guardian

HAPPY NEW YEAR, welcome back to a really exciting year at Stage 8 Theatre School. We are 10 years old this year, the last decade has been a real whirlwind for everyone, we have been absolutely blown away by what we have done in the past 10 years, we will hit 50 shows this December and that blows my mind. I have to say the biggest thank you to everyone who has been involved in all capacities, without you all none of this would be possible.

ANNIVERSARY T-SHIRTS

We are thrilled to launch our special edition 10 year t-shirt, these are available in class now with Sam, we would ask that all students please to get this t-shirt asap as there will be a lot of press and advertising images this year and we would really love uniformity. These t-shirts are on offer for £10.

SPONGEBOB

Our anniversary musical is SPONGEBOB and this will be in September, please see below for all the dates/times/link for tickets, if Shrek was anything to go by this show is going to be incredible and will sell out early, don't miss out.

STAGE 8 SONG

As part of our celebrations we have commissioned a Stage 8 Song that will be written and recorded with our students this year in class, we are so excited about our song and can't wait for everyone to hear it. There will also be a music video filmed in class and more details will be made available when we have them.

SUMMER SCHOOL (ages 6+)

We are thrilled to announce our summer school dates for this year, 28th July - 8th August at THE STAGE Y LLWYFAN. We're sure summer school will sell out again as it has every year, you can secure your place now with a £20 deposit. The cost of summer school is £185 and this includes our famous cinema trip, pizza party and lots of top secret special treats as it's our 10th year! You're welcome to pay small chunks off weekly for summer school, full balance is due by first day of summer school. All payments, once made, are non-refundable.

Again a huge thank you to everyone and congratulations to everyone who was in Shrek, it was a beautiful end to 2024, let's make 2025 HUGE!!

Regards

Jay
